FAMILY HOUSING PET POLICY

REVISED SEPTEMBER 2005

This policy was developed after weighing and balancing the interests of Denver Housing Authority’s (DHA) tenants, DHA management and the communities surrounding DHA’s developments and dispersed housing. In accordance with Federal regulations, DHA will permit pet(s) in dwelling units in accordance with this policy. No exotic, wild or dangerous animals, snakes or any other animal not permitted in residential units by state or local laws, ordinances or this policy may be kept by tenants.

Conventional public housing tenants living in family housing are permitted to keep no more than 1 dog or 1 cat per unit. This policy does not apply to assistance animals that assist persons with disabilities. Individuals requiring an assistance animal must request a Reasonable Accommodation pursuant to the Reasonable Accommodation in Housing Guidelines (“RAHG”). Tenants of high-rises must comply with the Elderly/Disabled Pet Policy. Elderly tenants living in DHA family developments must comply with this Family Housing Pet Policy.
I. APPROVAL

A. Criteria Prior to Admittance

Request for permission to have a pet(s) must be submitted, and written approval from DHA must be received, PRIOR to admittance of pet(s) into the unit. The Tenant will be required to complete the following forms:

1. Pet Information (see Exhibit A)
2. Pet Agreement (see Exhibit B)
3. Veterinarian Certification (see Exhibit C)

The Tenant and DHA must enter into a “Pet Agreement” (Exhibit B). In addition, the Tenant must provide proof of the pet’s good health and suitability under the standards set forth in these rules and regulations. For dogs and cats, proof of the animal’s licensing and vaccination record, in accordance with state and local laws, etc., must be given to the development manager prior to the dog or cat being brought into the unit. The licensing and vaccinations must be renewed at the time of Tenant’s re-examination or at least annually. Cats and dogs must be neutered or spayed. Proof of spaying or neutering must also be submitted to the development manager before the pet is brought into the unit. Cats are required to have front paws declawed. All licenses and tags must be current.

B. Vaccination Requirements

Dogs and cats must have the proper inoculations required by law, and be certified by a veterinarian licensed to practice in the State of Colorado.

All Tenants shall attach a tag to the dog’s or cat’s collar showing that the animal has been inoculated with anti-rabies vaccine and has been properly licensed. The dog or cat shall wear the collar at all times.

II. DEFINITIONS

“Pet” shall mean a domestic and common household animal as defined under state and local law, rule, and ordinance, including dogs, cats, birds, fish, rabbits or rodents such as gerbil, hamster, or mouse. However, DHA does not permit tenants to own, possess or keep wild or dangerous animals, as determined by DHA in its sole and absolute discretion, or as defined in the Denver Revised Municipal Code,
Section 8-2 (Keeping wild or dangerous animals prohibited). By way of example and not limitation, DHA considers any pit bull, Rottweiler, or mix including either of these breeds, to be dangerous animals and they are not permitted on DHA property. Common household pet shall not include ferrets, monkeys, snakes or other reptiles other than turtles.

“Assistance Animal” shall mean, an animal that works, provides assistance, or performs tasks for the benefit of a person with a disability; or animals that provide emotional support that alleviate one or more identified symptoms or effects of a person’s disability. Federal regulations require DHA to allow, as a reasonable accommodation, a qualified person with a disability to own and keep an “assistance animal” (also referred to as a service animal or companion animal) on DHA’s premises. An assistance animal is not considered a pet and therefore is not subject to DHA’s pet policies. All individuals requesting an assistance animal must request an accommodation, in compliance with the Reasonable Accommodations in Housing Guidelines, as modified from time to time.

“Dangerous dog” shall mean any dog with a known propensity or disposition to attack, to cause injury to or to otherwise endanger the safety of humans or other domestic animals, or any dog that attacks or bites any person or domestic animal, or is otherwise determined to be dangerous by DHA in its sole and absolute discretion.

“DHA” shall mean the Housing Authority of the City and County of Denver, its commissioners, officers, employees, servants and agents.

“Excessive Noise” shall be defined as loud and persistent or habitual barking, howling or yelping.

“Family housing” shall mean Columbine Homes, Westridge Homes, Platte Valley, Quigg Newton Homes, Sun Valley Homes, South Lincoln Homes and Westwood Homes and all public housing dispersed units, including family public housing that may be developed, bought or acquired in the future.

“Common area” shall mean any area to which all tenants have access, and is not under the direct control of any individual tenant.

“Public area” shall mean any area to which the public has access, and is not under the direct control of any individual tenant.

“Running-at-large” shall be defined as:

a) Not on the premises of the Tenant ’s Dwelling Unit and not controlled through the use of a leash, cord, or chain held by the Tenant ; or
b) On the premises of the Tenant, but confined in such a way as to allow
the animal to have access to the public right-of-way.

III. PET DENSITY

A. No more than one dog or one cat may be kept in any unit.
B. No more than two small, caged birds may be kept in any unit.
C. An aquarium for fish may not exceed ten (10) gallons.
D. No more than two (2) small animals, i.e. gerbil or hamster, may be kept in
any unit. Small animals must be kept in a cage at all times.

IV. SIZE

No pet’s mature growth shall exceed 18 inches in height, measured from ground to
shoulder, nor weigh more than 30 pounds.

V. PET DEPOSIT AND FEE

A. A refundable pet deposit of $100 will be charged for each dwelling unit where
a dog or cat resides. The unused portion of the pet deposit will be refunded to
the Tenant within a reasonable time, but not more than 60 calendar days
after the Tenant moves from the development or no longer owns or has a pet
present in the dwelling unit. DHA reserves the right to change this deposit
amount at any time, consistent with Federal guidelines.

B. A non-refundable fee of $50 will be charged for each dwelling unit where a
dog or cat resides. The pet deposit and fee must be paid prior to the pet being
brought into the unit.

C. Tenant’s liability for damages caused by his/her pet is not limited to the
amount of the pet deposit and the Tenant will be required to reimburse DHA
for the actual cost of any and all damages caused by his/her pet where they
exceed the amount of the pet deposit.

D. Upon move-out, units occupied by a cat or dog will be inspected by the
development manager for any infestation or other damage resulting from the
pet. If the unit is found to be infested, the extermination charge will be the
responsibility of the Tenant. The charges shall be deducted from the pet
deposit. If charges exceed the pet deposit, the Tenant will be billed for the excess amount, which Tenant must pay within 30 days of receipt of the bill. The Tenant is permitted, and encouraged, to be present for any and all inspections.

VI. PET RULES

A. Dogs, Cats and Other Animals

1. Dogs, cats and other animals shall be maintained within the Tenant’s unit. When dogs or cats are outside of the unit, they shall be kept on a hand-held leash, cord or chain no longer than six (6) feet and under control at all times. Under no circumstances shall any dog, cat or other animal be permitted to run loose in any common area. A dog or cat shall be deemed running loose when it is on the premises of the Tenant, possessor or keeper, but is confined in such a way as to allow the dog or cat to have access to the public right of way, or is outside the unit and is not on a hand-held leash.

2. The unit must be kept free of odors and maintained in a clean and sanitary condition. All animal waste or litter from a cat litter box and cages must be removed daily and disposed of in sealed plastic trash bags and placed in the dumpsters. Under no circumstances should any waste be stored in the unit.

3. Tenant agrees to be responsible for immediately cleaning up any waste, dirt, etc. caused by their pet in the common area, public right of way, and their unit. Tenant shall also be responsible for immediately removing and properly disposing of any pet excreta, feces, urine, etc. Animal excrement shall be placed in a closed plastic bag or other closed or airtight nonporous container and disposed of immediately.

4. If DHA has to remove any pet waste from the Tenant’s unit, yard, porch or other area, which is for the exclusive use of the Tenant or from the common areas, a twenty-five dollar ($25) charge will be made per removal. Repeated violations, three (3) in a one year period, will necessitate the Tenant removing the pet permanently from the premises. Failure to comply may result in termination of the Tenant’s Dwelling Lease.

5. DHA IS NOT RESPONSIBLE FOR ANY ACTION, INJURIES OR DAMAGES CAUSED BY ANY TENANT'S PET. A PET IS THE SOLE RESPONSIBILITY OF THE TENANT. DHA ASSUMES NO LIABILITY FOR FAILURE OF THE TENANT TO CONTROL THE PET. ANY INJURY OR HARM TO OTHER PERSONS, PETS OR PROPERTY IS THE SOLE
RESPONSIBILITY AND LIABILITY OF THE TENANT. IT IS RECOMMENDED THAT TENANT PURCHASE LIABILITY INSURANCE FOR THIS PURPOSE.

6. Tenant agrees to control the noise of their pet(s) such that it does not constitute a nuisance to any other tenants, neighbors or people living in the immediate vicinity of the development or dispersed unit. Failure to control pet noise may result in the permanent removal of the pet from the premises. ANY PET WHICH CAUSES UNPROVOKED BODILY INJURY TO ANY TENANT, GUEST, STAFF MEMBER, NEIGHBOR OR ANYONE LAWFULLY ON THE PREMISES SHALL BE IMMEDIATELY AND PERMANENTLY REMOVED FROM THE PREMISES, BY THE PROPER AUTHORITIES WITHOUT PRIOR NOTIFICATION.

7. No dog or cat shall be left unattended in any unit for longer than twelve (12) hours. All other animals shall not be left unattended for more than twenty-four (24) hours.

8. Tenant shall provide adequate care, nutrition, exercise and medical attention for their pets. Pets which appear to be poorly cared for or which are left unattended for longer than the limits indicated in #7 above will be reported to the appropriate authority and removed from the premises at the Tenant’s expense.

9. Tenant shall submit to the development office the names, addresses and telephone numbers of two responsible parties (not living at the same address) who will care for the pet if the Tenant, for any reason, is unable to care for the pet. In the event the person is unable or unwilling to accept responsibility, the Tenant authorizes DHA to contact state or local authorities, to enter the unit, remove the pet and place it with such authorities. DHA will inform the Tenant where the pet has been placed. Tenant will have to arrange for return of the pet. DHA will not be responsible for the well-being of the pet or any costs incurred, and all such charges will be paid by the Tenant.

10. In the event of the death of a pet, the pet must be disposed of pursuant to local ordinances. The Tenant shall not bury the pet on DHA property or dispose of it in any manner inconsistent with local ordinances.

11. In the event of the death of the pet while the Tenant is unable to care for the pet, the Tenant agrees that DHA shall have discretion to dispose of the pet consistent with state and local guidelines if the responsible parties listed on Exhibit A are unwilling to take responsibility, or if written instructions with respect to such disposal are not provided to the development office in advance.
by the Tenant. Charges for disposal shall be assessed to the Tenant as damages and will be deducted from the pet deposit.

12. Tenants acknowledge that other tenants may have chemical sensitivities or allergies related to pets and/or are easily frightened by such pets. The Tenant, therefore, agrees to exercise common sense and common courtesy with respect to the other tenant’s right to peaceful and quiet enjoyment of the premises.

If using common laundry facilities, it is recommended that the Tenant run an additional wash cycle and clean out all filters before leaving the laundry room.

13. After proper written notification, DHA may require the removal of the pet from the premises on a permanent or temporary basis, in DHA’s sole discretion, for the following reasons, by way of illustration not limitation:

   a. Excessive pet noise or odor after being advised by DHA.
   b. Unruly, intimidating or dangerous behavior.
   c. Excessive damage of the Tenant’s dwelling unit and/or development common areas and/or neighbor’s property or property of people living in the immediate vicinity of the property.
   d. Repeated problems with the pet or any infestation.
   e. Failure of the Tenant to provide for adequate care of a pet.
   f. Leaving a pet unattended for more than the allowed time period.
   g. Failure of the Tenant to provide adequate and appropriate vaccination of the pet.
   h. Tenant’s death, serious illness and/or refusal to care for the pet.
   i. Failure to properly clean up after the pet.
   j. Failure to remove the pet will result in a fine of $50 per day and may result in termination of the Tenant’s Dwelling Lease. After removal of a pet from the premises pursuant to this paragraph, DHA may determine on a case-by-case basis whether the removal of the pet will result in a permanent ban on pet ownership by the Tenant.

14. In the event of an emergency, the Tenant gives DHA permission to remove the pet or have it removed from the premises immediately for serious problems including, but not limited to, the following:

   a. Pet becomes vicious.
   b. Pet displays symptoms of serious illness.
   c. Pet demonstrates other behavior that constitutes an immediate threat to the health and safety of a Tenant, guest, staff member,
neighbor, other person authorized to be on the premises or people living in the immediate vicinity of the development.

15. With the exception of an assistance animal that assists a person with disabilities, pets of visitors/guests are strictly prohibited from entering DHA property.

16. “Pet sitting” is not permitted for any pet not already residing within the same development and meeting the requirements of this pet policy, state law, or local laws and ordinances. Specifically, Tenants may not provide “pet sitting” in their unit if it would result in the Tenant having more than the allowed number of pets in the unit.

B. Birds

1. Birds must be kept caged at all times.

2. Cages must be cleaned not less than twice a week. Waste must be disposed of in sealed trash bags and placed in the dumpster. Litter shall not be flushed down the toilet.

C. Fish

1. The aquarium shall not exceed ten (10) gallons and shall be placed on an appropriately sized stand in a safe location within the unit.

2. Water damage to walls, carpets, flooring or the ceiling of the unit below caused by breakage of or spillage from the aquarium shall be the responsibility of the Tenant who shall be billed for actual repair costs, as required.

D. Other Animals

1. Animals of the rodent family (i.e., hamsters and gerbils) must be kept caged at all times.

2. Cages must be kept clean.

3. Any other issues such as noise, odor and behavior apply the same as for dogs and cats.
VII. NOTIFICATION POLICY

In the event that any Tenant violates the pet rules set forth in paragraph VI above, DHA shall provide written notice of such violations as follows:

A. Creation of a Nuisance

The owner of any pet which creates a nuisance within, on or around the development and/or neighborhood or causes excessive noise, odor, running-at-large, unruly or dangerous behavior (as discussed below) shall be notified of such nuisance, in writing, by management and shall be given three (3) calendar days to correct such nuisance.

If any animal is found running-at-large on DHA property, DHA will call the municipal animal shelter/animal control to impound the animal pursuant to the Denver Revised Municipal Code. DHA may also catch any animal found running-at-large on DHA property and contract animal control to impound the animal.

Tenants shall not allow any pet to destroy, damage, or injure any shrubbery, plants, flowers, grass, lawn, fence or anything whatsoever upon the premises.

Failure to comply may result in removal of the pet and/or termination of the Tenant’s Dwelling Lease. If the Tenant disagrees with such an action, they may request a hearing in accordance with the DHA Grievance Procedure.

B. Dangerous Behavior

1. DHA shall determine what behaviors are considered dangerous, in its sole and absolute discretion. DHA shall provide written notification to the Tenant of dangerous behavior and the Tenant shall have three (3) calendar days to correct the animal’s behavior. It is the responsibility of the Tenant to correct the violation. Failure to comply may result in the removal of the pet and/or termination of the Tenant’s Dwelling Lease. If the Tenant disagrees with such an action, they may request a hearing in accordance with the DHA Grievance Procedure.

2. Any pet which “attacks” any tenant, guest, staff member, neighbor or other person shall be immediately removed from the premises by DHA without prior written notice to the Tenant of the action and location of the pet. “Attack” shall mean violent or aggressive physical contact with a person or animal, or violent or
aggressive behavior that confines the movement of a person, including, but not limited to, chasing, cornering, or encircling a person.

VIII. INSPECTION POLICY

A. DHA is hereby given permission to enter the Tenant’s unit for the purpose of inspection if a signed written complaint is received by DHA, or if DHA feels the behavior or condition of the pet(s) or Tenant warrants same. The inspection will be made during reasonable hours, after proper notice has been given to the Tenant (48 hours’ notice). In an emergency situation, entry will be made immediately. Notice will be given to the Tenant at such emergency entry, giving the reason for such entry.

B. Tenant must be available to physically control his/her pet during the times when DHA employees, agents of DHA or others must enter the unit to conduct housekeeping and preventative maintenance inspections, provide services such as routine work orders or such other times identified in the lease.
AFFIDAVIT

I have read and understand the Family Housing Pet Policy, Pet Agreement, Pet Information and Veterinarian’s Certificate of the Denver Housing Authority and agree to comply fully with their provisions. I understand that failure to comply may constitute reason for removal of my pet. If required by DHA to remove my pet from the premises, I agree to immediately remove any pet and I understand that my failure to do so may constitute grounds for eviction.
