SECTION 1
ADMISSIONS AND OCCUPANCY DEFINITIONS

ADMISSIONS AND OCCUPANCY DEFINITIONS

This section contains definitions of terms used in connection with admission and continued occupancy of the conventional public housing program operated by the Housing Authority of the City and County of Denver (“DHA”).

1.1 1937 Act

1937 Act means the United States Housing Act (42 U.S.C. 1437 *et seq.*).

1.2 Adjusted Income

Adjusted income means annual income (as determined by DHA), of the members of the family residing or intending to reside in the dwelling unit, after making the following deductions:

Mandatory Deductions

- (a) \$480 for each Dependent (see definition of Dependent);
- (b) \$400 for any elderly family or disabled family;
- (c) The sum of the following, to the extent the sum exceeds three percent of annual income: (i) unreimbursed medical expenses of any elderly or disabled family; and (ii) unreimbursed reasonable attendant care and auxiliary apparatus expenses for each member of the family who is a person with disabilities, to the extent necessary to enable any member of the family (including the member who is a person with disabilities) to be employed, but this allowance may not exceed the earned income received by family members who are 18 years of age or older who are able to work because of such attendant care or auxiliary apparatus; and
- (d) Any reasonable childcare expenses necessary to enable a member of the family to be employed or to further his or her education.

For public housing only, a PHA may adopt a written policy setting forth additional deductions from annual income. DHA has adopted the following deductions:

1. Any child support payment made by a member of the family for the support and maintenance of any child who does not reside in the household.
2. Amount received by a person while employed as a DHA Resident Caretaker which exceeds the \$200 stipend permitted by 24 CFR Section 5.609. This amount will be subject to the 10% Rent Rule.

3. Amount of income received by all family members whose head-of-household is employed as a Resident Caretaker will be subject to the 10% Rent Rule. This income is deducted during the term of the Resident Caretaker Contract.

1.3 Annual Income

- (a) Annual income means all amounts, monetary or not, which:
 - (1) Go to, or on behalf of, the family head or spouse (even if temporarily absent) or to any other family member; or
 - (2) Are anticipated to be received from a source outside the family during the 12-month period following admission or annual re-examination effective date; and
 - (3) Which are not specifically excluded in paragraph (c) of this section.
 - (4) Annual income also means amounts derived (during the 12-month period) from assets to which any member of the family has access.

- (b) Annual income includes, but is not limited to:
 - (1) The full amount, before any payroll deductions, of wages and salaries, overtime pay, commissions, fees, tips and bonuses, and other compensation for personal services;
 - (2) The net income from the operation of a business or profession. Expenditures for business expansion or amortization of capital indebtedness shall not be used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight-line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from the operation of a business or profession will be included in income, except to the extent the withdrawal is reimbursement of cash or assets invested in the operation by the family;
 - (3) Interest, dividends, and other net income of any kind from real or personal property. Expenditures for amortization of capital indebtedness shall not be used as deductions in determining net income. An allowance for depreciation is permitted only as authorized in paragraph (b)(2) of this section. Any withdrawal of cash or assets from an investment will be included in income, except to the extent the withdrawal is reimbursement of cash or

assets invested by the family. Where the family has net family assets in excess of \$5,000, annual income shall include the greater of the actual income derived from all net family assets or a percentage of the value of such assets based on the current passbook savings rate, as determined by HUD;

- (4) The full amount of periodic amounts received from Social Security, annuities, insurance policies, retirement funds, pensions, disability or death benefits, and other similar types of periodic receipts, including a lump-sum amount or prospective monthly amounts for the delayed start of a periodic amount (except as provided in paragraph (c)(14) of this section);
- (5) Payments in lieu of earnings, such as unemployment and disability compensation, worker's compensation and severance pay (except as provided in paragraph (c)(3) of this section);
- (6) *Welfare assistance.* Welfare assistance payments made under the Temporary Assistance for Needy Families (TANF) program are included in annual income only to the extent such payments:
 - (i) Qualify as assistance under the TANF program definition at 45 C.F.R. 260.31; and
 - (ii) Are not otherwise excluded under 24 C.F.R. 5.609 (c) (1-17).

If the welfare assistance payment includes an amount specifically designated for shelter and utilities that is subject to adjustment by the welfare assistance agency in accordance with the actual cost of shelter and utilities, the amount of welfare assistance income to be included as income shall consist of:

- (i) The amount of the allowance or grant exclusive of the amount specifically designated for shelter or utilities; plus
- (ii) The maximum amount that the welfare assistance agency could in fact allow the family for shelter and utilities. If the family's welfare assistance is ratably reduced from the standard of need by applying a percentage, the amount calculated under this paragraph (b)(6)(ii) shall be the amount resulting from one application of the percentage.

- (7) Periodic and determinable allowances, such as alimony and child support payments, and regular contributions or gifts received from organizations or from persons not residing in the dwelling;
 - (8) All regular pay, special pay and allowances of a member of the Armed Forces (except as provided in paragraph (c)(7) of this section).
- (c) Annual income does not include the following:
- (1) Income from employment of children (including foster children) under the age of 18 years;
 - (2) Payments received for the care of foster children or foster adults (usually persons with disabilities, unrelated to the tenant family, who are unable to live alone);
 - (3) Lump-sum additions to family assets, such as inheritances, insurance payments (including payments under health and accident insurance and worker's compensation), capital gains and settlement for personal or property losses (except as provided in paragraph (b)(5) of this section);
 - (4) Amounts received by the family that are specifically for, or in reimbursement of, the cost of medical expenses for any family member;
 - (5) Income of a Live-In-Aide, as defined in 24 C.F.R. § 5.403;
 - (6) The full amount of student financial assistance paid directly to the student or to the educational institution;
 - (7) The special pay to a family member serving in the Armed Forces who is exposed to hostile fire;
 - (8)
 - (i) Amounts received under training programs funded by HUD;
 - (ii) Amounts received by a person with a disability that are disregarded for a limited time for purposes of Supplemental Security Income eligibility and benefits because they are set aside for use under a Plan to Attain Self-Sufficiency (PASS);
 - (iii) Amounts received by a participant in other publicly assisted programs which are specifically for or in reimbursement of out-of-pocket expenses incurred (special equipment, clothing, transportation, child care, etc.) and which are made solely to allow participation in a specific program;

- (iv) Amounts received under a resident service stipend. A resident service stipend is a modest amount (not to exceed \$200 per month) received by a tenant for performing a service for the PHA or owner, on a part-time basis, that enhances the quality of life in the development. Such services may include, but are not limited to, fire patrol, hall monitoring, lawn maintenance, and resident initiatives coordination, and serving on the PHA's governing board. No tenant may receive more than one such stipend during the same period of time;
 - (v) Incremental earnings and benefits resulting to any family member from participation in qualifying State or local employment training programs (including training programs not affiliated with a local government) and training of a family member as tenant management staff. Amounts excluded by this provision must be received under employment training programs with clearly defined goals and objectives, and are excluded only for the period during which the family member participates in the employment training program;
- (9) Temporary, nonrecurring or sporadic income (including gifts);
 - (10) Reparation payments paid by a foreign government pursuant to claims filed under the laws of that government by persons who were persecuted during the Nazi era;
 - (11) Earnings in excess of \$480 for each full-time student 18 years old or older (excluding the head of household and spouse);
 - (12) Adoption assistance payments in excess of \$480 per adopted child;
 - (13) Deferred periodic amounts from supplemental security income and social security benefits that are received in a lump sum amount or in prospective monthly amounts;
 - (14) Amounts received by the family in the form of refunds or rebates under State or local law for property taxes paid on the dwelling unit;
 - (15) Amounts paid by a State agency to a family with a member who has a developmental disability and is living at home to offset the cost of services and equipment needed to keep the developmentally disabled family member at home;
 - (16) Amounts specifically excluded by any other Federal statute from consideration as income for purposes of determining eligibility or

benefits under a category of assistance programs that includes assistance under any program to which the exclusions set forth in 24 C.F.R. 5.609(c) apply. A notice will be published in the Federal Register and distributed to public housing authorities and housing owners identifying the benefits that qualify for this exclusion. Updates will be published and distributed when necessary.

(a) **Annualization of Income**

If it is not feasible to anticipate a level of income over a 12-month period, (e.g., seasonal or cyclic income) or the PHA believes that the past income is the best available indicator of expected future income, the PHA may annualize the income anticipated for a shorter period, subject to a re-determination at the end of the shorter period.

1.4 Applicant or Applicant Family

A person or a family that has applied for housing assistance.

1.5 Ceiling Rent

See Choice of Rent.

1.6 Child

Means a member of the family other than the Head of Household or spouse who is under 18 years of age.

1.7 Child Care Expenses

Amounts anticipated to be paid by the family for the care of children under 13 years of age during the period for which annual income is computed, but only where such care is necessary to enable a family member to actively seek employment, be gainfully employed, or to further his or her education and only to the extent such amounts are not reimbursed. The amount deducted shall reflect reasonable charges for childcare. In the case of childcare necessary to permit employment, the amount deducted shall not exceed the amount of employment income that is included in annual income.

1.8 Choice of Rent

(a) Choice of Rent means:

(1) Annual choice by family. Once a year, DHA must give each family the opportunity to choose between the two methods for determining the amount of tenant rent payable monthly by the family. The family may choose to pay as tenant rent either a flat rent as determined in accordance with paragraph (b) of this section, or an income-based rent as determined in accordance with paragraph (c) of this section. Except for financial hardship cases as provided in paragraph (d) of this section, the family may not be offered this choice more than once a year.

(2) Relation to minimum rent. Regardless of whether the family chooses to pay a flat rent or income-based rent, the family must pay at least the minimum rent as determined in accordance with 24 C.F.R §5.630 of this title.

(b) Flat rent.

(1) The flat rent is based on the market rent charged for comparable units in the private unassisted rental market. It is equal to the estimated rent for which DHA could promptly lease the public housing unit after preparation for occupancy.

(2) DHA must use a reasonable method to determine the flat rent for a unit. To determine the flat rent, DHA must consider:

- (i) The location, quality, size, unit type and age of the unit; and
- (ii) Any amenities, housing services, maintenance and utilities provided by DHA.

(3) The flat rent is designed to encourage self-sufficiency and to avoid creating disincentives for continued residency by families who are attempting to become economically self-sufficient.

(4) If the family chooses to pay a flat rent, DHA does not pay any utility reimbursement.

(5) DHA must maintain records that document the method used to determine flat rents, and also know how flat rents are determined by DHA in accordance with this method, and document flat rents offered to families under this method.

(c) Income-based rent. An income-based rent is a tenant rent based on the family' s income and DHA' s rent policies for determination of such rents.

1.9 Citizen

1.10 Community Service

The consent form expires after a certain time and may authorize the collection of other information from assistance applicants or participants to determine eligibility or level of benefits.

1.12 Covered Families

As applied to welfare benefit reduction, Covered Families means families who receive welfare assistance or other public assistance benefits (“welfare benefits”) from a State or other public agency (“welfare agency”) under a program for which Federal, State or local law requires that a member of the family must participate in an economic self-sufficiency program as a condition for such assistance.

1.13 Dependent

1.14 Disability Assistance Expenses

Reasonable expenses that are anticipated, during the period for which annual income is computed, for attendant care and auxiliary apparatus for a disabled family member and that are necessary to enable a family member (including the disabled member) to be employed, provided that the expenses are neither paid to a member of the family nor reimbursed by an outside source.

1.15 Disabled Family

A family whose head, spouse, or sole member is a person with disabilities; or two or more persons with disabilities living together; or one or more persons with disabilities living with one or more Live-In-Aides.

As applied to Designated Housing, Disabled Family means a family whose head or spouse or sole member is a person with disabilities. The term “disabled family” may include two or more persons with disabilities living together, and one or more persons with disabilities living with one or more persons who are determined to be essential to the care or well-being of the person or persons with disabilities. A disabled family may include persons with disabilities who are elderly.

1.24 Extremely Low Income

1.25 Family

Family includes but is not limited to:

SECTION 2
ADMISSIONS AND OCCUPANCY POLICIES

2.1 Fair Housing

It is the policy of DHA to fully comply with all Federal, State and local nondiscrimination laws including, but not limited to, Section 504 of the Rehabilitation Act and HUD' s regulations governing Fair Housing and Equal Opportunity.

No person shall, on the grounds of race, color, sex, religion, national or ethnic origin, familial status, or disability be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under DHA' s programs.

2.2 Reasonable Accommodation

- a) It is DHA' s policy to provide a “ reasonable accommodation” in housing for applicants, residents, and clients with disabilities where a reasonable accommodation is necessary to provide them with an equal opportunity to participate in, or benefit from, DHA housing programs. When such accommodations are granted, they do not confer special treatment or advantage for the person with a disability; rather, they make the program accessible to them in a way that would otherwise not be possible due to their disability.

Individuals may request a reasonable accommodation by following the procedures outlined in the Housing Authority of the City and County of Denver Reasonable Accommodation In Housing Guidelines (“ RAHG”). These guidelines clarify how people can request accommodations, and the guidelines DHA will follow in determining whether it is reasonable to provide a requested accommodation. DHA will not consider any individual disabled for the purpose of providing an accommodation without confirmation by a health care provider that the individual meets the definition of disabled in the RAHG. A Request for Accommodation form must be requested and completed. If an individual is unable to complete the Request for Accommodation form, a DHA representative will assist them in completing the necessary forms.

DHA has the right to obtain verification that the person has a disability. If more than one accommodation is equally effective in providing access to DHA' s programs and services, DHA retains the right to select the most efficient or economic choice.

- b) **Effective Communications:** Upon request, DHA will provide alternative forms of communication for individuals who are visually,

hearing, mentally or manually impaired to ensure the individual is able to effectively communicate with DHA, in compliance with DHA's Guidelines for the Provision of Alternative Forms of Communication for Individuals with Disabilities. - 4) **Tenant Selection Criteria:** It is DHA's policy that all applicants for public housing shall be screened for program eligibility in accordance with HUD regulations. DHA has established criteria to avoid concentration of families with serious social problems in DHA developments. It is also DHA's policy to preclude admission of applicants, or to terminate the lease of tenants, whose habits and practices reasonably may be expected to have a detrimental effect on other tenants, the development environment, DHA staff or other people residing in the immediate vicinity of the property. Otherwise eligible families will be denied admission if they fail to meet any one of the selection criteria.

Relevant information regarding habits or practices of applicants and household members which, DHA will consider include, but are not limited to, the following:

- (a) Reference checks and interviews with landlords, employers, family social workers and parole officers.
- (b) Reference checks and information regarding applicant' s and household members' conduct and behavior, in present or prior housing, which demonstrates that the applicant and/or household members can reasonably be expected not to:
 - (i) interfere with other tenants in such a manner as to diminish their peaceful enjoyment of the premises by adversely affecting their health, safety, or welfare;
 - (ii) adversely affect the physical environment or financial stability of the project;
 - (iii) violate the terms and conditions of the lease.
- (c) The applicant' s past performance in meeting financial obligations, especially rent. DHA will consider any past balances applicant owes for any program that DHA administers or any other rent subsidy program. These balances must be paid in full (either in a lump sum or over time) before completing the admission process. DHA will not admit applicants or household members who owe past balances.
- (d) Any history of criminal activity in any state the applicant has resided in, on the part of any applicant or household members, involving crimes of physical violence to persons or property and other criminal acts including drug-related criminal activity which would adversely affect the health, safety, or welfare of other tenants. A criminal background check will be conducted by DHA on all adult household members, including Live-In-Aides.

Additionally, DHA may, at any time after admission, obtain a criminal history check for any tenant or household member for the purpose of lease enforcement or eviction.

- (e) A record of disturbance of neighbors, destruction of property, or living or housekeeping habits at present or prior residences that may adversely affect the health, safety, or welfare of other tenants or neighbors.

- (l) Applicant or household members abuse(s) alcohol in a way that gives DHA reasonable cause to believe the behavior may interfere with the health, safety, or right to peaceful enjoyment of the premises by other tenants.
- (m) Applicant or household members who have been evicted from public housing, Indian housing, Section 23, or any Section 8 program because of drug-related criminal activity are ineligible for admission to public housing for a three year period beginning on the date of the eviction. DHA can waive this requirement if:

- (i) the person demonstrates successful completion of a state certified rehabilitation program; or
- (ii) the circumstances leading to the eviction no longer exist. For example, the individual involved in drugs is no longer in the household because the person is incarcerated.

Mitigating circumstances applicable to subsections (a) through (j) above: If unfavorable information is received about an applicant or household member(s), consideration shall be given to the time, nature, seriousness and extent of the applicant's conduct and to factors that might indicate a reasonable probability of favorable future conduct or financial prospects. To be factored into DHA's screening assessment of the applicant, mitigating circumstances must be verifiable. Examples of mitigating circumstances include, but are not limited to:

- (i) evidence of rehabilitation;
- (ii) evidence of the applicant family's participation in or willingness to participate in social service or other appropriate counseling service programs;
- (iii) evidence of the applicant family's willingness to attempt to increase family income and the availability of training or employment programs in the locality.

Consideration of mitigating circumstances does not guarantee that applicant will qualify for admission. DHA may require the applicant to submit a Request for Accommodation, in compliance with DHA's Reasonable Accommodations in Housing Guidelines, in order to determine if a mitigating circumstance qualifies the applicant for a reasonable accommodation. DHA has discretion to consider all of the circumstances in each case including the seriousness of the case, the extent of participation or culpability of individual household members, and the effects of denial or termination of assistance on other household members who were not involved in the action or failure to act.

DHA may require an applicant to exclude a household member in order to be admitted to the Public Housing program if the household member has participated in or has been culpable for criminal activity, drug-related criminal activity or the illegal use of drugs, which would warrant denial of the application.

2.4 Eligibility for Admission to Section 8 Development Based Assistance Program

In order for an applicant to be eligible for admission to the Section 8 program, the applicant must be eighteen (18) years old and meet the following conditions:

- 1) Family: The applicant shall meet the definition of Family as set forth in Section 1 of this Policy.
- 2) Income Eligible: The applicant must be income eligible in accordance with the annual income limits for admission to the Section 8 program as set forth in HUD' s most recent, published income limits for admission.

Non-citizens who are 62 years of age or older or who will be receiving assistance under a Section 214 covered program on September 30, 1996, or applying for assistance after that date, must provide a signed declaration of eligible immigration status and proof of age document. See Section 2.6 for more details.

 - (a) History of drug-related criminal activity or violent criminal activity including, but not limited to any illegal criminal activity that has as one of its elements: the use, attempted use, or threatened use of physical force against the person or property of another. DHA will deny an applicant who has been convicted of manufacturing or otherwise producing methamphetamine in violation of any Federal or state law. DHA may deny assistance if the preponderance of evidence indicates that a family member has engaged in such activity, regardless of whether applicant or applicant' s family member has been arrested or convicted.
 - (b) Maintenance of housing in a decent and safe condition based on living or housekeeping habits and whether such habits could adversely affect the health, safety or welfare of other tenants.
 - (c) A criminal background check on all adult household members, including Live-In-Aides.

- (e) A home visit that considers cleanliness and care of rooms, appliances and appurtenances. The inspection may also consider any evidence of criminal activity.
- (f) History of applicant or applicant family' s illegal use, or possession for personal use, of a controlled substance within one (1) year from the date DHA provides notice to the applicant of DHA' s determination to deny assistance.

DHA may not deny or terminate assistance for such use or possession by applicant' s family, if the family member can demonstrate that he or she:

- (i) has an addiction to a controlled substance, has a record of such an impairment, or is regarded as having such an impairment; and
 - (ii) is recovering, or has recovered from, such addiction and does not currently use or possess controlled substances. DHA may require a family member who has engaged in the illegal use of drugs to submit evidence of participation in, or successful completion of, a treatment program as a condition to being allowed to reside in the unit.
- (g) Applicant or applicant family' s pattern of illegal use of a controlled substance or pattern of abuse of alcohol gives DHA reasonable cause to believe that the pattern of abuse may interfere with the health, safety, or right to peaceful enjoyment of the premises by other tenants.

DHA may waive the policies prohibiting admission in these circumstances if the person demonstrates to DHA' s satisfaction that the person is no longer engaging in illegal use of a controlled substance or abuse of alcohol and:

- (i) has successfully completed a supervised drug or alcohol rehabilitation program;
- (ii) has otherwise been rehabilitated successfully; or
- (iii) is participating in a supervised drug or alcohol rehabilitation program.

- (h) Applicant or applicant' s family who have been evicted from public housing, Indian housing, Section 23 or any Section 8 programs because of drug-related criminal activity are ineligible for participation in the Section 8 program for a three year period, beginning on the date of such eviction. DHA may waive this requirement if:

 - (ii) the circumstances leading to the eviction no longer exist. For example, the individual involved in drugs is no longer in the household because the person is incarcerated.
- (i) Applicant or applicant' s family has a history of other criminal activity, which may threaten the health, safety or right to peaceful enjoyment of the premises by other residents or persons in the vicinity.
- (j) Applicant or applicant' s family has a history of other criminal activity, -which threatens the health or safety of the owner, property management staff, or persons performing a contract administration function or responsibility on behalf of DHA.

Consideration of mitigating circumstances does not guarantee that applicant will qualify for admission. DHA may require the applicant to submit a Request for Accommodation, in compliance with DHA' s Reasonable Accommodations in Housing Guidelines, in order to determine if a mitigating circumstance qualifies the applicant for a reasonable accommodation. DHA has discretion to consider all of the circumstances in each case including the seriousness of the case, the extent of participation or culpability of individual family members, and the effects of denial or termination of assistance on other family members who were not involved in the action or failure to act.

2.5 Tenant Selection Criteria: Public Housing units at Villages at Curtis Park, Three Towers and Benedict Place Developments

- 1) Applicant Screening Criteria: All eligible applicants will be subject to the following screening criteria:

- (b) Criminal History. Criminal history record check for all household members over the age of eighteen (18) showing no record of past criminal activity which may reasonably pose a threat to or adversely affect the health, safety, peaceful environment, peaceful enjoyment of the property by other residents, or welfare of other residents, staff members, Housing Authority representatives, or the Property. The Property management representative will particularly screen for criminal activity as it relates to the following:

Affidavit from head of household that all family members under eighteen (18) years of age have not been convicted of a crime classifying them as an adult. If this affidavit cannot be made, a record check on those members must also be obtained by parent or guardian and thereby subjected to the criminal history record check criteria for adults.
- (d) Landlord Verification. Current and previous landlord verification of rent payment history and care for the unit. If previous landlord verification is not available, the current landlord verification must be used, a landlord history or mortgage payment history must be obtained.
- (e) Assisted Housing by Non-citizens. The Property management representative agrees to continue current eligibility processing and verification of eligibility in accordance with HUD guidelines.
- (f) Utility Verification. Contact with at least one prior utility supplier to gather information on applicant' s payment history or demonstration of the ability and willingness to pay utility bills in a timely and responsible manner.

- (g) Home Visits. Applicants may be required to undergo a home visit inspection or reinspection of the applicant's current living arrangements to determine the applicant's compliance with the screening criteria and the applicant's ability to meet management's stringent housekeeping-related requirements.

- (h) Additional Documentation. Applicants may be required to furnish additional documentation, as deemed necessary, to determine the applicant's ability to uphold the lease agreement. Applicants are required to respond within the specified time frame. Failure to do so will result in the applicant's removal from the Site-Based Waiting List. In the case of a disabled applicant, reasonable accommodation may be made to allow the applicant to comply with the lease.

- (i) Drug Treatment Facility Information. The Property management representative may obtain information from drug treatment facilities regarding applicants to public housing. The Property management representative will follow subsection (e) of Section 575 of QHWRA stating that Public Housing Agencies, or their property management representatives, may require "each person who applied for admission to public housing to sign one or more forms of written consent authorizing the agency to receive information from a drug abuse treatment facility..." Records management will be in accordance with subsection (e) of Section 575 which details the requirements for records management, permission for drug abuse treatment facilities to charge fees for releasing records, procedures to ensure a nondiscriminatory process, and the definitions for "drug abuse treatment facility" and "currently engaged in the illegal use of a controlled substance." The applicant's consent form must expire automatically after the Property management representative decides to approve or deny admission. Additionally, the information the Property management representative requests must be "solely related to whether the applicant is currently engaging in the illegal use of a controlled substance." If applying this provision, the Property management representative must require each applicant to sign a release form but may seek such information for all applicants or only for those applicants with a prior record of arrest or conviction or whose rental history indicates the applicant has engaged in destructive behavior to persons or property. The law

specifically exempts drug abuse facilities from liability if the disclosure is made in accordance with the existing law. The property management representative must destroy any such records not later than five days after approving the applicant for admission or if denying admission in a “timely manner” after the statute of limitation for civil action against the Property management representative has expired.

- (j) Verification Methods. All applicant screening verification will be accomplished by mail, telephone, electronic document or information transmission, facsimile, or personally, as necessary. Generally, formal screening interviews with applicants will not be required.
- 2) Application Denial. After a review and evaluation of the pertinent documentation and information provided by the applicant, the property management representative may reject or deny any application, or pre-application, for any of the reasons set forth below:
- a) Failure to Meet Screening Criteria. Applicant does not meet income, eligibility or suitability criteria; or

Applicant has been convicted of a crime involving unlawful sexual behavior, or any person classified as a sexually violent predator, who is required to register with the local law enforcement agency in the jurisdiction in which he/she resides in accordance with Section 18-3-412.5, CRS.
 - e) Methamphetamine Conviction. Individuals (both residents and applicants) convicted of manufacturing or producing methamphetamine are ineligible for housing assistance in public housing. The property management representative must terminate the tenancy of any person convicted of manufacturing methamphetamine on the premises of an assisted housing project.

- 3) Mitigating Circumstances. In the event of the receipt of unfavorable information with respect to an applicant, consideration shall be given to the time, nature and extent of the applicant's conduct and to factors which might indicate a reasonable probability of financial prospect or future conduct. Factors to be considered:
- (a) Mitigation of Negative Credit Information. Negative credit information can be mitigated through third party verification for each credit item that: (i) the applicant has entered into a payment plan with creditor and there has been a three month payment history; (ii) there is a three month history of payment to the creditor; or (iii) applicant has disputed such debt and can provide verification of such dispute.
 - (b) Mitigation of Unsuitable Rental History. The applicant may request a reasonable accommodation to explain and/or overcome any prior misconduct related to a previous tenancy. The Property management representative may request information necessary to determine if the mitigating circumstances qualifies the applicant for a reasonable accommodation. If the applicant refuses to provide further information, the Property management representative will not give further consideration to the mitigating circumstance.
 - (c) General Mitigation Guidelines. In the event of the receipt of unfavorable information with respect to an applicant, consideration shall be given to the time, nature, and extent of the applicant's conduct and to factors which might indicate a reasonable probability of favorable future conduct or financial prospects. For example:
 - (i) Evidence of rehabilitation;
 - (ii) Evidence of the applicant family's participation in or willingness to participate in social service or other appropriate counseling service programs and the availability of such programs; or

- 4) Upon the written request of the applicant or DHA, the hearing may be postponed and rescheduled to the next available regularly scheduled hearing date. This request for postponement must be submitted at least twenty-four (24) hours prior to the scheduled hearing. A hearing may be postponed once. Both DHA and the applicant shall be notified of the determination by the Hearing Officer.
- 8) The hearing will be conducted informally by the Hearing Officer. The Hearing Officer shall require DHA, the applicant, counsel and other participants or spectators to conduct themselves in an orderly fashion. Failure to comply with the directions of the Hearing Officer to obtain order may result in expulsion from the proceedings or in a decision adverse to the interests of the disorderly party, and granting or denial of the relief sought, as appropriate.
- 9) A Hearing Officer may re-open a canceled application for Conventional Public Housing program if the applicant provides the necessary requested information or resolves any dispute concerning an alleged debt owed to DHA or any other agency.

- 2) Working Families.
Eligible applicants will be selected within income ranges established in accordance with Federal regulation (24 C.F.R. Part 5). No more than 40 percent of annual admissions will be based on this local preference. A local preference shall be given to the following families in descending order of priority:
- a) Income Tier II families, earning between 50% and 80% of the area median income as defined by HUD.
 - b) Income Tier I families, earning from a level established by DHA up to 50% of the median income as defined by HUD.

The Income Tiers are defined by income range and family size, as shown on Addendum 1. Applicants will be selected sequentially from a local preference list. Within each preference list, those with a 1 priority will be selected before those with a 2 priority, and so on. If eligible applicants are in the same Income Tier, applicants will be selected chronologically, based upon the date and time of application.

- 3) Employment Incentive.
A preference for families whose Head of Household or spouse is working a minimum of 20 hours a week or more and has been working for at least one year at the time of application.
- 4) Education or Employment Training.
A preference for families whose Head of Household or spouse has been enrolled in an education or employment and training program for at least six months at the time of application.

- 5) Selection preference for mixed population projects.
DHA will give equal preference to elderly families and disabled families in determining priority for mixed-population projects.

Irrespective of these local selection preferences, tenants entitled to the benefits provided by the Uniform Relocation Act shall have priority over any applicant for placement in housing.

2.14 Qualification and Verification of Claimed Local Selection Preference/Conventional Public Housing

- 1) At the time of application, the family may certify that they are eligible for the local selection preference. An official verification of the claimed selection preference will be requested by the Occupancy Department. It is the applicant's responsibility to ensure that the Occupancy Department receives the verification within the given timeframe.

If official verification is not received within the given timeframe, the applicant will be placed on the waiting list without a preference. The verification is valid for ninety (90) days after receipt. If the applicant is not housed within ninety (90) days, eligibility for the preference must be re-verified.

2.15 Notification of Selection Preference Denial/Conventional Public Housing

If DHA determines that an applicant does not qualify for a local selection preference claimed by the applicant, DHA shall notify the applicant, in writing, within five (5) working days of the determination. The notice shall contain a brief statement of the reasons for the determination, and state that the applicant has the right to meet with a representative of DHA to discuss the determination. The meeting may be conducted by any person or persons designated by DHA, who may be an officer or employee of DHA, including the person who made or reviewed the determination or a subordinate of that person.

2.16 Notification of Conditional Eligibility and Final Eligibility After Attending A DHA Opportunity Center Orientation For Admission to Conventional Public Housing

Initially, each applicant that is eligible will first be considered conditionally eligible and told that, in order to be determined eligible for the Conventional Public Housing program, the applicant must attend a DHA Opportunity Center orientation. Once the applicant has attended an Opportunity Center orientation, the applicant will be considered eligible.

2.17 Notification of Eligibility for Admission/Conventional Public Housing

Each applicant determined to be eligible for admission to the Conventional Public Housing program shall be notified, in writing, of such determination and of the approximate date (if possible) of occupancy, as estimated by DHA at the time of notification. A record of notification shall be maintained by DHA for a reasonable period of time.

2.18 Selection from the Waiting List/Conventional Public Housing

DHA shall follow the statutory requirement that at least 40% of newly admitted families, in any DHA fiscal year, be families whose annual income is at or below 30% of the area median income. To ensure this requirement is met, DHA shall monitor, on a quarterly basis, the incomes of newly admitted families and the incomes of the families on the waiting list. If there are not enough extremely low-income families on the waiting list DHA will conduct outreach on a non-discriminatory basis to attract extremely low-income families to reach the statutory admission requirement.

2.19 Deconcentration Policy/Conventional Public Housing

It is the policy of DHA to provide for the deconcentration of poverty and encourage income mixing by bringing higher income families into lower income developments and lower income families into higher income developments, pursuant to current HUD regulations, and any subsequent amendments. Toward this end, DHA has instituted local preferences and will continue to affirmatively market our housing to all eligible income groups. Lower income residents will not be steered toward lower income developments and higher income people will not be steered toward higher income developments.

Prior to the beginning of each DHA fiscal year, staff will analyze the income levels of families residing in each of our developments. Based on this analysis, and the then current HUD regulations, DHA will determine which, if any, DHA developments are above, within, or below the DHA Established Income Range (EIR). Any developments above the EIR will be designated as high-income. Any developments with incomes below the EIR will be designated as low-income. Based on this analysis, DHA will determine the marketing strategies and whether or not additional incentives will have to be developed and implemented to deconcentrate poverty.

2.20 Deconcentration Strategies

DHA may, in its sole discretion, utilize one or more of the following strategies to encourage applicant families whose income classification would

help to meet the deconcentration goals of a particular development: 1) incentives designed to encourage families with incomes below the EIR to accept units in developments with incomes above the EIR, and vice versa; 2) target investments and capital improvements; and 3) continue use of working family preferences. These strategies may be used at different times, or under different conditions, but will always be used in a consistent and non-discriminatory manner.

2.21 Community Service

In order to be eligible for continued occupancy of Public Housing, each adult family member must either: (1) contribute eight (8) hours per month of community service (not including political activities) within the community in which the public housing development is located, or (2) participate in an economic self-sufficiency program, unless they are exempt from this requirement pursuant to DHA' s Community Service Procedure.

2.22 Site-Based Waiting List HOPE VI

A. Villages at Curtis Park

The Villages at Curtis Park is a HOPE VI Redevelopment project. This mixed-income development is managed by a private property management company, and is privately owned by three partnerships (“ CP Owner”). The public housing units at this site are filled using a site-based waiting list. The Villages at Curtis Park application process is opened and closed as needed. Date and time of the applicants pre-application for the site-based waiting list determines placement on the waiting list subject to each local preference and bedroom size category. Integral Management Systems (IMS) implemented the waiting list at the Villages at Curtis Park, which is privately owned. Adoption of a site-based waiting list would not violate any court order, settlement agreement or be inconsistent with a pending HUD complaint. DHA will comply with all the requirements set forth 24 in C.F.R. §903.7(b)(2).

The site-based waiting list allows applicants to move to the development of their choice and will attract a more diverse population with a broader range of incomes to the Villages at Curtis Park.

1) The Occupancy Department informs applicants that the Villages at Curtis Park is a mixed-income community. The applicants will be told that the mixed-income community is comprised of market rate, tax credit and public housing units that are privately managed and that they must go to the Curtis Park management office and place their name on the waiting list if they want to live in this mixed-income community. The site-based waiting list is administered by the CP Owner. DHA staff explains that the applicant

may also fill out a pre-application for housing in any of DHA' s other public housing developments as well.

Each applicant will be provided with full disclosure of any options available in the selection of the development in which to reside, including basic information about available sites (location, occupancy, number and size of accessible units, amenities such as day care, security, transportation, and training programs) and an estimate of the period of time the applicant will likely have to wait to be admitted to units of different sizes and types (e.g., regular or accessible) at each site.

- 2) The site-based waiting list shall contain the following information for each applicant listed:
 - a) Applicant name;
 - b) Family unit size;
 - c) Date and time of pre-application;
 - d) Qualifications for local preference; and
 - e) Racial or ethnic designation of the Head of Household.

- 3) The order of admission to the waiting list will be based on:
 - a) Date and time of application;
 - b) Bedroom size and
 - c) Local preferences.

- 4) Placement on the waiting list will then be prioritized in accordance with the local selection preferences for Conventional Public Housing including a working preference.

- 5) When the Curtis Park site-based waiting list is opened, DHA will ensure that the CP Owner gives public notice, by publication in local newspapers of general circulation and also minority media, that families may apply for housing at the Curtis Park site. The public notice will state when and where to apply. The notice will comply with HUD fair housing requirements. The CP Owner, with DHA' s approval, may adopt criteria defining how families may apply for assistance pursuant to a public notice.

- 6) As part of its Annual Plan, DHA will ensure that the CP Owner assesses changes in the racial, ethnic or disability-related tenant composition at the site that may have occurred during the implementation of this site-based waiting list. This required occupancy data shall be based on Multifamily Tenant Characteristics System (MTCS) data and confirmed by an independent audit.

7) DHA will ensure that the CP Owner uses an independent tester or other means satisfactory to HUD to assure that the system is not being implemented in a discriminatory manner, and that no patterns or practices of discrimination exist. The results of the testing will be submitted to DHA and/or HUD.

8) DHA will ensure that the CP Owner takes any steps necessary to remedy any problems that surface during the review and takes the steps necessary to affirmatively further fair housing.

B. Park Avenue (Benedict Park Place)

Benedict Park Place is a HOPE VI Redevelopment project. This mixed-income development is managed by a private property management company and is privately owned (“PA Owner”). The public housing units at this site will be filled using a site-based waiting list. The Benedict Park Place application process is open and closed as needed. Date and time of the applicant’s pre-application for the site based waiting list will determine placement on the waiting list subject to each local preference and bedroom size category. The management company will implement the waiting list at Benedict Park Place. Adoption of a site-based waiting list would not violate any court order, settlement agreement or be inconsistent with a pending HUD complaint. DHA will comply with all the requirements set forth 24 in C.F.R. §903.7(b)(2).

The site-based waiting list allows applicants to move to the development of their choice and will attract a more diverse population with a broader range of incomes.

1) The Occupancy Department informs applicants that Park Avenue is a new mixed-income community. Applicants will be told that the mixed-income community is comprised of market rate, tax credit and public housing units that are privately owned and managed and that they must go to the Park Avenue site and place their name on the waiting list if they want to live in this mixed-income community. The site-based waiting list is administered by the PA Owner. DHA staff explains that the applicant may also fill out an application for housing in any of DHA’s other public housing developments as well.

Each applicant will be provided with full disclosure of any options available in the selection of the development in which to reside including basic information about available sites (location, occupancy, number and size of accessible units, amenities such as day care, security, transportation, and training programs) and an estimate of the period of time the applicant will

likely have to wait to be admitted to units of different sizes and types (e.g., regular or accessible) at each site.

- 2) The site-based waiting list shall contain the following information for each applicant listed:
 - a) Applicant name;
 - b) Family unit size;
 - c) Date and time of pre-application;
 - d) Qualifications for local preference; and
 - e) Racial or ethnic designation of the Head of Household.

- 3) The order of admission to the waiting list will be based on:
 - a) Date and time of application;
 - b) bedroom size; and
 - c) local preferences.

- 4) Placement on the waiting list will then be prioritized in accordance with the local selection preferences for Conventional Public Housing.

- 5) When the Park Avenue site-based waiting list is opened, DHA will ensure that the management company gives public notice, by publication in local newspapers of general circulation and minority media. The public notice will state when and where to apply. The notice will comply with HUD fair housing requirements. The management company, with DHA's approval, may adopt criteria defining how families may apply for housing pursuant to a public notice.

- 6) As part of its Annual Plan, DHA will ensure that the management company assesses changes in the racial, ethnic or disability-related tenant composition at the site that may have occurred during the implementation of this site-based waiting list. This required occupancy data shall be based on MTCS data and confirmed by an independent audit.

- 7) DHA will ensure that the management company uses an independent tester or other means satisfactory to HUD to assure that the system is not being implemented in a discriminatory manner, and that no patterns or practices of discrimination exist. The results of the testing will be submitted to DHA and/or HUD.

- 8) DHA will ensure that the PA Owner takes any steps necessary to remedy any problems that surface during the review and takes the steps necessary to affirmatively further fair housing.

C. Thomas Bean Towers

Thomas Bean Towers is a HOPE VI Redevelopment project. This mixed-income development is comprised of tax credit and public housing units and is managed by DHA but is privately owned (“ TBT Owner”). The TBT Owner may hire a private management company in its sole discretion. The public housing units at this site will be filled using a site-based waiting list. Adoption of a site-based waiting list would not violate any court order, settlement agreement or be inconsistent with a pending HUD complaint. DHA will comply with all the requirements set forth 24 in C.F.R. §903.7(b)(2).

The site-based waiting list allows applicants to move to the development of their choice and will attract a more diverse population with a broader range of incomes to Thomas Bean Towers.

1) The Occupancy Department informs applicants that Thomas Bean Towers is a new mixed-income community. Applicants will be told that the mixed-income community is comprised of tax credit and public housing units that are privately owned and that they must go to the Thomas Bean Towers site and place their name on the waiting list if they want to live in this mixed-income community.

Each applicant will be provided with full disclosure of any options available in the selection of the development in which to reside including basic information about available sites (location, occupancy, number and size of accessible units, amenities such as day care, security, transportation, and training programs) and an estimate of the period of time the applicant will likely have to wait to be admitted to units of different types (e.g., regular or accessible) at the site.

- 2) The site-based waiting list shall contain the following information for each applicant listed:
 - (a) Applicant name;
 - (b) Family unit size;
 - (c) Date and time of pre-application;
 - (d) Qualification for local preference; and
 - (e) Racial or ethnic designation of the Head of Household.

- 3) The order of admission to the waiting list will be based on either:
 - (a) Date and time of application, or
 - (b) Bedroom size; and
 - (c) Local Preferences.

- 4) Placement on the waiting list will then be prioritized by the local selection preference for Conventional Public Housing.
- 5) When the Thomas Bean Tower site-based waiting list is opened, DHA will ensure that public notice is given, by publication in local newspapers of general circulation and minority media. The public notice will state when and where to apply. The notice will comply with HUD fair housing requirements. DHA may adopt criteria defining how families may apply for housing pursuant to a public notice.
- 6) As part of its Annual Plan, DHA will ensure that the management company assesses changes in the racial, ethnic or disability-related tenant composition at the site that may have occurred during the implementation of this site-based waiting list. This required occupancy data shall be based on MTCS data and confirmed by an independent audit.
- 7) DHA will ensure that the TBT Owner takes any steps necessary to remedy any problems that surface during the review and takes the steps necessary to affirmatively further fair housing.
- 8) In the event the Thomas Bean Tower site has exhausted all qualified individuals on their wait-list, management may offer vacant units to individuals from the DHA Occupancy Department waiting list in accordance with preference standards.

2.23 Site-Based Waiting List – Three Towers

Three Towers is a Capital Fund Grant modernization project comprised of public housing units overlaid with 4% Low Income Housing Tax Credits. The Three Towers project is comprised of three separate public housing developments (Hirschfeld Towers, Mulroy Apartments and Walsh Annex) designated for near-elderly, elderly and disabled individuals with incomes at or below 60% of Denver AMI.

Three Towers will be managed by DHA but is privately owned (“Three Towers Owner”). The public housing units at these sites will be filled using a site-based waiting list. Adoption of a site-based waiting list would not violate any court order, settlement agreement or be inconsistent with a pending HUD complaint. DHA will comply with all the requirements set forth 24 in C.F.R. §903.7(b) (2). The Three Towers site-based waiting list allows applicants to move to the development of their choice and will attract a more diverse population with a broader range of incomes. The site-based

waiting list programs at each of the three sites will be implemented as follows.

- 1) DHA will begin providing site-based outreach services at each site to allow a person(s) to begin and complete the housing application process. The site-based outreach services will include, but not be limited to:
 - Person(s) interested in applying for housing fills out a preliminary application at the select site (DHA anticipates adding an on-line application option in the future).
 - DHA processes preliminary application for CBI, Landlord reference, program eligibility and income eligibility.
 - DHA places applicant on a preliminary application site-based waiting list.
 - When applicants are needed DHA sends out a letter informing applicant to pick up the formal application packet at the designated site.
 - Applicant completes packet and returns completed application.
 - Application is checked for accuracy.
 - Applicant is sent a letter informing them of their pre-approval and the place, date and time for the interview.
 - Applicant is interviewed, and, if approved, placed on the site-based waiting list. If the applicant not approved, a rejection letter is sent.

Each applicant will be provided with full disclosure of any options available in the selection of the development in which to reside including basic information about available sites (location, occupancy, number and size of accessible units, amenities such as security, transportation, and training programs) and an estimate of the period of time the applicant will likely have to wait to be admitted to units of different types (e.g., regular or accessible) at the site.

- 2) The site-based waiting list shall contain the following information for each applicant listed:
 - (a) Applicant name;
 - (b) Family unit size;
 - (c) Date and time of pre-application;
 - (d) Qualification for local preference; and
 - (e) Racial or ethnic designation of the Head of Household.
- 3) The order of admission to the waiting list will be based on either:
 - (a) Date and time of application, or
 - (b) Bedroom size; and

(c) Local Preferences.

- 4) Placement on the waiting list will then be prioritized by the local selection preference for Conventional Public Housing.
- 5) When the Three Towers site-based waiting list is opened, DHA will give public notice, by publication in local newspapers of general circulation that individuals may apply for housing at any of the Three Towers sites. The public notice will state when and where to apply. The notice will comply with HUD fair housing requirements. DHA may adopt criteria defining how families may apply for housing pursuant to a public notice.
- 6) As part of its Annual Plan, DHA will assess changes in the racial, ethnic or disability-related tenant composition at the site that may have occurred during the implementation of this site-based waiting list. This required occupancy data shall be based on MTCS data and confirmed by an independent audit.
- 7) DHA will ensure that the Three Towers Owner takes any steps necessary to remedy any problems that surface during the review and takes the steps necessary to affirmatively further fair housing.
- 8) In the event an individual Three Towers site has exhausted all qualified individuals on their wait-list, management may offer vacant units to individuals from the other Three Tower site-based waiting lists or the DHA Occupancy Department waiting list in accordance with local preference standards.

2.24 Waiting List - Conventional Public Housing

- 1) The waiting list shall contain the following information for each applicant listed:
 - (a) Applicant name;
 - (b) Family unit size;
 - (c) Date and time of application;
 - (d) Qualification for local preference; and
 - (e) Racial or ethnic designation of the Head of Household.
- 2) The order of admission to the waiting list will be based on either:
 - (a) Date and time of application, or
 - (b) A drawing or other random choice technique (i.e., lottery).
- 3) Placement on the waiting list will then be prioritized by the local selection preference for Conventional Public Housing.

4) When DHA opens the public housing waiting list, DHA will give public notice, by publication in local newspapers of general circulation and also minority media that families may apply for the Conventional Public Housing program. The public notice will state when and where to apply. The notice will comply with HUD fair housing requirements and will state any limitations on who may apply. DHA may adopt criteria defining how families may apply for assistance pursuant to a public notice.

5) DHA may, in its sole and absolute discretion, open the waiting list to ONLY certain subcategories of “ Family” as defined in section 1.25.

2.25 Occupancy Guidelines for Conventional Public Housing

1) The following guidelines are used to determine the number of bedrooms required to accommodate a family of a given size without overcrowding or over-housing. These guidelines may be waived, on a case-by-case basis, for legitimate reasons, or if it is necessary to achieve or maintain full occupancy.

<u>Number of Bedrooms</u>	<u>Number of Persons</u>	
	<u>Minimum</u>	<u>Maximum</u>
0	1	1
1	1	2
2	2	4
3	3	6
4	5	8
5	7	10

2) Dwelling units are assigned to avoid the necessity for persons of the opposite sex, other than Head of Household and spouse, to occupy the same bedroom. If necessary, at the time of admission, two (2) children of the opposite sex under the age of six (6) may be permitted to occupy the same bedroom. At the time of admission, the tenant may elect to have one (1) child under the age of three (3) occupy the parent’ s bedroom.

3) For the purposes of determining the number of bedrooms required, every family member, regardless of age, is counted as a person. In determining bedroom size, DHA will include children who are temporarily away at school, or children who are temporarily in foster-care.

2.26 Assignment of Units/Conventional Public Housing

As an applicant approaches the top of the waiting list they shall be assigned an appropriate size unit or accessible unit, if such unit is necessary.

In the event that two or more applicants require the same size or accessible unit, (e.g., two working families requiring a three (3) bedroom unit), the date and time of application will determine which applicant is given the first offer.

DHA has accessible units that are designed to provide specific accommodations to qualified individuals with a disability. When an accessible unit becomes vacant, before offering such unit to a non-disabled applicant, DHA will offer such unit: (a) first, to a current occupant of another DHA unit of the same or comparable project, who has disabilities requiring the accessibility features of the vacant unit and who occupies a unit not having such features, or, if no such occupant exists, then (b) to an eligible qualified applicant on the waiting list who has a disability requiring the accessibility features of the vacant unit, or if no such occupant exists, then (c) to an eligible applicant not having a disability requiring the accessibility features of the unit. However, DHA will require the applicant to agree to move to a non-accessible unit when available, and will incorporate this requirement into the lease. Any family required to transfer will be given a 15-day notice.

At the time the next successive applicant on the waiting list is selected, he/she shall be offered a suitable unit at the development which contains vacancies of the required unit type in accordance with the final deconcentration rule. If the applicant rejects the offer or the applicant fails to make a decision as to whether he/she wants the unit offered within five (5) working days of the time it was offered, then it will be considered that the applicant has rejected the offer. The applicant will then be offered a second suitable unit. If the applicant rejects the second offer or the applicant fails to make a decision as to whether he/she wants the unit offered within five (5) working days of the time it was offered, then it will be considered that the applicant has rejected the second offer. If the applicant rejects the second offer the Occupancy Department will delete the application from the active waiting list

For purposes of this section, an applicant will not be considered to have been offered a unit if:

- a) The unit offered is not the proper size or does not contain the necessary accessible features
- b) The applicant is 62 years of age or older and requested a unit in a building designated as “elderly only,” but was not offered a unit in an “elderly only” building; or

- c) The applicant requires an accessible unit, but was not offered such a unit.

DHA will maintain a record of units offered, including location, date, and circumstances of each offer, and each rejection or acceptance for a reasonable time. DHA will note the reason for any rejection.

2.27 Housing Assistance Limitation for Single Persons/Conventional Public Housing

A single person who is not an elderly or displaced person, or a person with disabilities, or the remaining member of a tenant family may not be provided:

- (1) For public housing and other project-based assistance, a housing unit with two or more bedrooms.

2.28 Determination of Total Tenant Payment and Tenant Rent/Conventional Public Housing

1) Family Choice (*Public Housing only*):

- a) At admission and each year in preparation for their annual re-examination, each family is given the choice of having their rent determined under the formula method or having their rent set at the flat rent amount.
- b) Families who opt for the flat rent will be required to go through the income re-examination process every year, rather than the annual review they would otherwise undergo. The following flat rents apply to DHA’ s public housing developments:

<u>Unit Size</u>	<u>Flat Rent</u>
Efficiency	\$ 513
One Bedrooms	\$ 650
Two Bedrooms	\$ 754
Three Bedrooms	\$ 1,175
Four Bedrooms	\$ 1,250
Five Bedrooms	\$ 1,325

- c) Families who opt for the flat rent may request to have a re-examination and return to the formula based method at any time for any of the following reasons:
 - 1) The family’ s income has decreased because of changed circumstances due to loss or reduction of employment; death of a family member who contributes to the income of the family; or reduction in or loss of earnings or other assistance.

- 2) The family' s circumstances have changed increasing their expenses for childcare, medical care, transportation, education or similar items.
- 3) Other circumstances creating a hardship on the family such that the formula method would be more financially feasible for the family.

DHA will switch the family' s rental payment from flat rent to income-based rent after verifying the basis for the financial hardship based on policies.

- 2) The Formula Method-Public Housing Only.
 - a) The total tenant payment is equal to the highest of:
 - 1) 10% of Monthly Income;
 - 2) 30% of Monthly Adjusted Income; or
 - 3) The welfare rent.

The family will pay the greater of the total tenant payment or the minimum rent of \$25 for Public Housing.

In the case of a family who has qualified for the income exclusion, upon the expiration of the 12-month period described in section 2.38(h)(1), an additional rent benefit accrues to the family.

- 3) Minimum Rent Public Housing
 - a) DHA has set the minimum rent at \$25 for the Public Housing Program. However, if a family requests a hardship exemption, DHA will immediately suspend the minimum rent for the family until DHA can determine whether the hardship exists and whether the hardship is of a temporary or long-term nature.
 - 1) A hardship exists in the following circumstances:
 - i) When the family has lost eligibility for or is waiting for an eligibility determination for a Federal, State or local assistance program;
 - ii) When the family would be evicted as a result of the imposition of the minimum rent requirement;
 - iii) When the income of the family has decreased because of changed circumstances, including loss of employment;
 - iv) When the income of the family has decreased because of changed circumstances for medical costs,

childcare, transportation, education, or similar items;

- v) When a death has occurred in the family;
- vi) Other situations as determined by DHA or HUD.

4) Minimum Rent Exceptions for Hardship Circumstances

- 1) Once a tenant requests a hardship waiver, DHA cannot take any adverse action against the tenant for 90 Days.
- 2) If DHA determines there is no qualifying hardship, the minimum rent will be reinstated, including requiring back payment of minimum rent for the time of suspension and is due immediately.
- 3) Temporary hardship. If DHA reasonably determines that there is a qualifying hardship but that it is of a temporary nature, the minimum rent will not be imposed for a period of 90-days from the date of the family' s request. At the end of the 90-day period, the minimum rent will be imposed retroactively to the time of suspension. DHA will offer a repayment agreement for any rent not paid during the period of suspension. During the suspension period DHA will not evict the family for non-payment of the amount of rent owed for the suspension period. DHA may request reasonable documentation of hardship.
- 4) Long-term hardship. If DHA determines there is a long-term hardship, the family will be exempt from the minimum rent requirement until the hardship no longer exists.

If a tenant in occupancy has qualified for one of the mandatory hardship exemptions, DHA must make arrangements to reimburse the tenant for the overpayment by providing a cash refund or otherwise offsetting future rent payments.

2.29 Leasing of Units/Conventional Public Housing

- 1) Prior to admission, the lease shall be signed by the Head of Household and spouse and subsequently executed by a duly authorized representative of DHA. All members of the household over the age of 18 must sign the “ Authorization for the Release of Information/Privacy Act” form (HUD 9886 7/94).

- 2) Prior to admission and to signing the lease, a physical inspection of the unit will be made by the prospective tenant and a representative of DHA to note any deficiencies.
- 3) The lease shall remain current at all times and must be in compliance with DHA policies as well as local, state and federal laws and regulations.
- 4) Notices of rent adjustment (or lease change clause), which amend the dwelling lease, shall be signed by a duly authorized representative of DHA and the tenant. However, the rental adjustment shall be effective as stated in the notice even if the notice of rent adjustment or lease change clause is not signed by the tenant.
- 5) *Remaining Family Member*: If, for any reason, the signator(s) of the lease cease(s) to be a member of the tenant family, the lease shall be rendered null and void. DHA will review the Remaining Family Member's eligibility for tenancy and has the right to refuse to enter into a lease with the Remaining Family Member who does not meet the applicable eligibility criteria set forth in section 2.3. Remaining Family Members may be required to move to a smaller unit if their current unit is too big once the other family members have vacated.
- 6) *Live-In-Aide*: A Live-In-Aide does not qualify as a Remaining Family Member. See Section 1.37 for more details.
- 7) If, during any period in which the lease agreement is in effect, there is a change in the tenant's status or rent, which results in the need to amend provisions of the lease, one of the following shall occur:
 - (a) The existing lease will be canceled and a new lease executed; or
 - (b) An amendment to the existing lease shall be executed; and
 - (c) All copies of lease amendments shall be signed by a tenant and a duly authorized representative of DHA and a copy maintained in the tenant file.
- 8) If a tenant family transfers to a different dwelling unit in the same, or another public housing development operated by DHA, the existing lease shall be canceled and a new lease executed by the Head of Household and a DHA representative, for the dwelling unit into which the family is moving.

- 9) A security deposit will be required and shall be payable at the time the lease is signed. The amount of the security deposit will be an amount approved by DHA' s Board of Commissioners.
- 10) DHA shall perform a physical inspection of all dwelling units according to established inspection policy and procedures, but no less frequently than once a year. Copies of all inspections shall be maintained in the tenant' s file.

2.30 Transfer Criteria/Conventional Public Housing

Tenants will receive priority for transfers, over applicants, for vacancies in all public housing. However, only the following types of transfers will be granted:

1. Administrative Transfers – These transfers include mandatory transfers, such as emergency and relocation transfers, as well as some tenant initiated transfers.
 - (a) Emergency – necessitated by an immediate, verifiable threat to life, health or safety of the resident or family members, such as unit uninhabitable due to fire, etc.
 - (b) Relocation – transfers for relocation efforts by DHA will be given priority, after Emergency transfers, and include, but are not limited to, programmed units, modernization, demolition, and changing units to homeownership units.
 - (c) Health – a reasonable accommodation is required for all Health transfer requests. The forms (Request for Accommodation and Health Providers Verification) can be printed off the internet. The 504 Coordinator must approve all requests for accommodations. (Examples may include: need an accessible unit, ground floor unit, etc.)
 - (d) Non-Disabled – a transfer will be required when a non-disabled household is residing in an accessible unit and there is a disabled household in need of the accessible unit.
 - (e) Under-housed – household needs a larger unit.
 - (f) Over-housed – household needs a smaller unit.
2. Tenant Requested Transfer – These transfers are initiated by the tenant and approved in the sole and absolute discretion of DHA for the following reasons:

- (a) Employment – employment, education, or training is dependent upon the need to be closer to the appropriate location.
- (b) Upward mobility – transfer will be considered for tenants who meet the basic transfer criteria and have the potential to be a participant in DHA’ s Homeowner Program.
- (c) Elderly-Designated – tenants requesting transfers to building approved as designated for elderly must meet the basic transfer criteria and the age requirement of 62 years of age or older.
- (d) Other – for other extraordinary reasons, if recommended by Manager and Management Supervisor.

Note: DHA does not make “ split family” transfers.

The following conditions shall exist before a transfer will be granted:

Tenant and all family members:

- 1) Have not engaged in criminal activity that threatens the health and safety of tenants or staff; and
- 2) Do not owe back rent or other charges, not including repayment agreements, or have a pattern of late payment; and
- 3) Meet reasonable housekeeping standards; and
- 4) Can get utilities turned on in the name of head of household; and
- 5) Must have been a DHA resident for at least one year (transfers for reasonable accommodation or health and safety excluded).

Exceptions to the criteria may be made for emergency transfers or when it is DHA’ s best interest (e.g., a single person is living alone in a three bedroom unit and does not want to move) to require the transfer. The exception to the criteria will be made by the Central Transfer Administrator taking into account the recommendation of the Manager.

Transfers may be approved for other extraordinary reasons if recommended by Managers and approved by the Chief Operating Officer Public Housing.

In order to determine the priority in which transfer requests will be considered, the criteria set forth above are given different numerical weights. Tenants who meet the transfer criteria and are placed on the waiting list must continue to meet the criteria while waiting for the

transfer. Failure to maintain the eligibility for a transfer will result in removal of the tenant from the transfer waiting list until they meet the required criteria.

Transfers between Conventional Public Housing and buildings owned by DHC will only be approved to accommodate health/special needs. However, the tenant must meet the eligibility criteria for the Project Based Section 8 program and the Low Income Housing Tax Credit (“LIHTC”) program.

The provisions listed above are to be used as a guide to ensure fair and impartial means of assigning units for transfers. This policy does not create a property right or any other type of right for a tenant to transfer or refuse to transfer.

2.31 Re-Examinations/Re-Determinations/Conventional Public Housing

Annually and at interim periods, as circumstances may require, the tenant will furnish information and certifications to DHA as to family income, employment, and family composition. This information will be used by DHA for determining if the rent should be changed and if the dwelling unit is still appropriate for the tenant’s needs. DHA has set the minimum rent at \$25 for the Public Housing Program. However, the minimum rent may be increased as determined by resolution of the Board of Commissioners. For families who pay an income-based rent, a re-examination shall be conducted at least annually.

- 1) Annual income is determined by all amounts, monetary or not, which:
 - a) Go to, or on behalf of, the family head or spouse (even if temporary absent) or to any other family member: or
 - b) Are anticipated to be received from a source outside the family during the 12-month period following admission or annual re-examinations effective date; and which are not specifically excluded. Annual income also means amounts derived (during the 12-month period) from assets to which any member of the family has access.

- 2) Allowable deductions when calculating rent:
 - a) \$480 for each household member who is under 18 years of age, or is over 18 and has a disability, or is a full-time student.

- b) \$400 per family for all families in which the head or spouse is at least 62 years of age or disabled.
- c) Reasonable childcare expenses for the care of children, including foster children, under the age of 13 if the care is necessary to enable a family to work or further his/her education. If childcare is used for seeking employment, the names, addresses and phone numbers are required of applications submitted.
- d) Disability assistance expenses are allowed for family members with disabilities if such expenses enable a family member to work (including the person with a disability)
- e) Medical expenses are allowed only for households where the head or spouse is at least 62, or has a disability. If the household is eligible for a medical expense allowance, the medical expenses of all family members are counted.

3) Flat Rent

Residents who choose the flat rent provision are only required to have a rent review once every three years, but the household composition must be reviewed annually.

Annual rent review is still required for all residents on an income based rent.

Flat rent schedule:	<u>Unit Size</u>	<u>Flat rent</u>
	Efficiency	\$ 513
	One Bedroom	\$ 650
	Two Bedroom	\$ 754
	Three Bedroom	\$ 1,175
	Four Bedroom	\$ 1,250
	Five Bedroom	\$ 1,325

Residents who choose the flat rent option may immediately switch to an income-based rent if, due to financial hardship, the resident is unable to pay the flat rent amount. The interim rent reduction should occur no later than the first of the month following the month the family reported the hardship.

4) Minimum Rent

There is a \$25 minimum rent for all Conventional Public Housing households.

All family members ages 18 or older claiming no income must sign the “ Declaration of No income” Thaccd form # 313 and meet bi-monthly with the authorized DHA representative to fill out a Zero Income Worksheet.

5) Re-determination of rent as a result of a reduction of welfare benefits.

According to the new Quality Housing and Work Responsibility Act of 1998, a re-determination of rent will not be done and the rent will not be decreased where a decrease in income is the result of noncompliance with the conditions of public assistance, or where public assistance is decreased due to an act of fraud by a member of a covered family.

6) Disallowance of Earned Income

The new Quality Housing and Work Responsibility Act of 1998 effective October 1, 1999 exempts earned income for qualified families who start work or self-sufficiency programs. The rent cannot be increased for a period of 12 months if the increase in income results from;

- a) Earnings of a previously unemployed family member. Previously unemployed person includes a person who has earned, in the previous twelve months, no more than would be received for 10 hours of work per week for 50 weeks at the established minimum wage. ($\$5.15 \text{ per hour} \times 10 \text{ hours} = \$51.50 \text{ per week} \times 50 \text{ weeks} = \2575 per year)
- b) Earnings of a family member during participation in a self-sufficiency or job training program. (this does not apply to residents currently participating in DHA’ s Family Self Sufficiency Program)
- c) Earnings of family member that had been receiving TANF in the previous six months. The total amount of TANF received over the six-month period must be at least \$500.

7) Re-Determination Procedure

- a) All residents are required to report changes in family composition and/or income in writing within ten (10) days of their occurrence.
- b) Interim re-examinations are always required when there is a change in family composition and a new lease effecting the change must be executed. If the change in family composition would result in a decrease in rent, the decrease would be effective the first of the month following notification.
- c) Interim re-examinations will not be required if an increase in income does not exceed \$200.00 per month. If the increase in income is greater then \$200.00 per month an interim re-examination must be processed and the effective date of the increase would be the first of the second month following notification.

8) Income to be INCLUDED for rent examination/determination

- a) Employment Income (gross wages prior to payroll deductions, includes overtime, commissions, fees, bonuses, tips)
- b) Asset Income (interest, dividends, net income from property)
- c) Alimony or Child Support
- d) Annuities
- e) Unemployment Compensation
- f) Workman Compensation
- g) TANF
- h) General Assistance
- i) Social Security (gross prior to Medicare deduction)
- j) SSI

- k) Military Pay
- l) REGULAR contributions or gifts received from organizations or from organizations or from persons not residing in the unit.
- m) Income from Business (self -employed) or Real or Personal Property.
- n) Net income equals gross income less expenses.
- o) Lump Sum Payments

Assets: Lump-sum additions to family assets, such as inheritance, insurance payments (including payments under health and accident insurance and worker' compensation), capital gains and settlement for personal or property losses are considered as assets and are not included as income.

Income: Lump –sum payments caused by delays in processing periodic payments (unemployment, workers' compensation, welfare assistance benefits) are counted as income.

- p) Temporarily Absent Family Members

Income must be counted of every family member who is on the lease, including those who are temporarily absent. (head or spouse or other family member may be in the Armed Forces, away at college, etc.)

- 9) Income to be EXCLUDED for Rent Determination/Examination
 - a) Exclude only employment income of minors (benefit income such as SS, SSI, TANF is counted). For income eligibility at admission, employment income of children under the age of 18 must be counted and if eligible the employment income is deducted to determine rent.
 - b) Foster child or foster adult care payments (foster adult is usually a disabled person unrelated to the tenant family, who is unable to live alone

- c) Medical reimbursements
- d) Live-in Aide income, to be eligible for this exclusion must meet all three of the following conditions:

- 10) Rent is determined at time of move-in and remains in effect for the period between regular rent re-examinations, unless during this period any of the following occur:
- a) A decrease occurs in gross household income. All changes must be reported to DHA within ten (10) days of the change.
 - b) New income source or an increase occurs in gross household income. All changes must be reported to DHA within ten (10) days of the change.
 - c) A change in family composition which shall mean an increase or decrease in the number of household members listed on the lease. Such change must be reported to DHA within ten (10) days of the change.
 - d) Tenant begins to receive public assistance or public assistance is terminated. Such a change must be reported to DHA within ten (10) days of the change. However, a monetary sanction administered by the Department of Human Services, which decreases a tenant's monthly benefits, is not cause for rent re-determination.
 - e) If the amount of welfare is reduced specifically because the family engaged in fraud or failed to comply with an economic self-sufficiency or work activities requirement, the public housing rent cannot be reduced based on the benefit reduction. This provision is not applicable if the reduction is neither the result of the expiration of a lifetime limit on receiving benefits nor a situation where the family has complied with welfare program benefits but cannot obtain employment.

When DHA receives a request for income re-examination and rent reduction predicated on a reduction in tenant income from welfare, it may deny the request only after having written verification from the welfare agency that the family's benefits have been reduced because of non-compliance with an economic self-sufficiency program or work activity requirement or because of fraud.

- f) Discovery that the tenant has misrepresented the facts upon which the rent is based, and the tenant is paying less than they should have been charged. In this case, the increase in rent shall apply retroactively. Repayment arrangements may be made in accordance with DHA policy. Repayment arrangements must be made with DHA or the lease may be terminated. Additionally, failure to make payments on the repayment agreement in a timely fashion will be cause to terminate the lease. If tenant intentionally misrepresents facts upon which rent is calculated a second time, it will be cause to terminate the lease.

- g) If, at the time of admission or re-examination, due to unusual circumstances, projected annual income cannot be determined with any reasonable degree of accuracy, a temporary rent for a specified period not to exceed ninety (90) days may be established. At the expiration of the specified period, the income becomes stable, a new rent will be established. DHA will continue to conduct periodic reviews as often as necessary to determine the rent.

- h) 1) *Public Housing Only* DHA must not increase the annual income of an eligible family as a result of increased income due to employment during the 12-month period beginning on the date on which the employment is commenced. Eligible families are those that reside in public housing:
 - (a) Whose income increases as a result of employment of a family member who was previously unemployed for one or more years. For purposes of this section, “previously unemployed” includes a person who has earned, in the previous twelve months, no more than would be received for 10 hours of work per week for 50 weeks at the established minimum wage.
 - (b) Whose employment income increases during the participation of a family member in any family self-sufficiency or other job training; or
 - (c) Who is or was, within 6 months, assisted under any state program for temporary assistance for needy families funded under Part A of Title IV of the Social Security Act, as determined by DHA in

consultation with the local TANF agency, and whose earned income increases.

- 2) Phase-in of rent increases. Upon expiration of the 12-month period described above, the rent payable by a family may be increased due to continued employment of a family member except that for the 12-month period following expiration of the initial 12-month disallowance, the increase may be based on only 50% of the family member's increased income.
- 3) Each year at the time of the annual re-examination, the family has the option of selecting a flat rent amount in lieu of completing the re-examination process and having their rent based on the formula amount. Families paying flat rent shall have income reviews every year.
- 4) In the case of an interim re-determination, and the rent decreases, the adjustment will become effective the first day of the month following the re-determination. In the event of rent increase, the adjustment will take effect the first day of the second month following the re-determination, unless the rent increase results from a finding of intentional misrepresentation under subsection 1(e) of this section.
- 5) Changes in rent resulting from a scheduled re-examination will become effective on the anniversary date of the tenant's admission to Conventional Public Housing.
 - i) An interim re-examination will not be required if an increase in income does not exceed \$200.00 per month and is reported within 10 days of the change if the income is from a new source. If the increase in income is greater than \$200.00 per month, an interim re-examination must be processed and the effective date of the increase will be the first of the second month following notification.
 - j) In the case of an interim re-determination, and the rent decreases, the adjustment will become effective the first day of the month following the re-determination. In the event of rent increase, the adjustment will take effect the first day of the second month following the re-determination, unless the rent increase results from finding of intentional misrepresentation under subsection 1(e) of this section.

- k) Changes in rent resulting from a scheduled re-examination will become effective on the anniversary date of the tenant's admission to Conventional Public Housing.

2.32 Addition of Household Member or Live-In-Aide to Lease/Public Housing

a) In order to add a household member, other than through birth or adoption, the family must request that the new member be added to the lease. Before adding the new member to the lease, the individual must complete an application form stating their income, assets, and all other information required of an applicant. The individual must provide their social security number, if they have one, and must verify their citizenship/eligible non-citizen status. Their housing will not be delayed due to delays in verifying eligible immigrant status other than delays caused by the family.

A new family member will be required to go through the screening process similar to the process for applicants. DHA will determine the eligibility of the individual before adding them to the lease. If the individual is found to be ineligible or does not pass the screening criteria, the tenant will be advised of his/her right to invoke the grievance procedure. If they are found to be eligible and meet the screening criteria, their name will be added to the lease. At the same time, if the family's rent is being determined under the formula method, the family's annual income will be recalculated taking into account the circumstances of the new family member.

b) In order to add a Live-In-Aide to the household, the head of household must request an accommodation, in accordance with DHA's Reasonable Accommodation in Housing Guidelines, and the request must be approved in writing by the 504 Coordinator, prior to the addition of a Live-In-Aide to the lease. The Live-In-Aide must provide their social security number, if they have one, and must verify their citizenship/eligible non-citizen status. Their housing will not be delayed due to delays in verifying eligible immigrant status other than delays caused by the family.

A Live-In-Aide is not a member of the tenant's family, as defined in Section 1.26 of this policy or federal regulation. The Live-In-Aide is not required to meet all Conventional Public Housing eligibility requirements such as, by way of example and not limitation, income eligibility. However, the Live-In-Aide must undergo a criminal history background check, which may affect his/her eligibility to become a Live-In-Aide. Prior to being added to the lease the Live-In-Aide and tenant must complete the Live-In-Aide Acknowledgment. The Live-In-Aide's income is not included in the family's income. When the individual needing the support services leaves the unit or

fails to qualify for continued occupancy, the Live-In-Aide can no longer live in the unit and has no right to continued occupancy as a Remaining Family Member.

2.33 Misrepresentations/Conventional Public Housing

The tenant will be notified, in writing, of any misrepresentations or lease violations discovered during the re-examination, rent review, or at other times. The applicant, tenant certifies that accurate information has been provided regarding family composition, income, net family assets, allowances and deductions. Any misrepresentation is a violation of Federal regulations and shall result in lease termination and/or punishment under Federal law.

2.34 Designated Housing for Elderly Only

In accordance with 24 C.F.R. Part 945, HUD approved the designation of the following buildings for occupancy by the elderly only: Barney Ford, Walsh Manor, and the North Lincoln Park Homes Midrise. In the future, any other properties designated as elderly only by HUD shall, upon passage of a Board resolution, automatically be incorporated into this Policy. Applicants must be 62 years of age or older to be eligible to live in these designated buildings.

2.35 Pet Ownership

DHA has established the following pet policies: 1) Pet Policy for Elderly/Disabled Developments; and 2) Family Housing Pet Policy. These policies are available for review upon request to the building manager.

Consistent with 24 C.F.R. §5.312(b), DHA will provide appropriate notice to each applicant, when he/she is offered a dwelling unit in a building designated for “elderly only” or a high-rise designated for the elderly and persons with disabilities stating that: 1) tenants are permitted to own and keep common household pets in their dwelling units, in accordance with the Pet Policy for Elderly/Disabled Developments; 2) assistance animals that are used to assist persons with disabilities are excluded from this policy, see 2.46 Assistance Animals; and 3) tenants may at any time request a copy of the current Pet Policy for Elderly/Disabled Developments.

Pursuant to 24 C.F.R. 960 Subpart G, a resident of a public housing dwelling unit may own a common household pet in accordance with DHA’s Family Housing Pet Policy and dwelling lease. Assistance animals are specifically excluded from this policy, see 2.46 Assistance Animals.

2.36 Assistance Animals

Federal regulation requires DHA to allow, as a reasonable accommodation, a qualified person with a disability to own and keep an

“ assistance animal” (also referred to as service animal or companion animal) on DHA’ s premises. An assistance animal is an animal that works, provides assistance, or performs tasks for the benefit of a person with a disability; or animals that provide emotional support that alleviate one or more identified symptoms or effects of a person’ s disability. An assistance animal is not considered a pet and therefore is not subject to DHA’ s Pet Policies. All individuals requesting an assistance animal must request an accommodation, in compliance with the Reasonable Accommodation in Housing Guidelines, as modified from time to time.

All qualified individuals with a disability approved to own and keep an assistance animal must execute an Assistance Animal Agreement. Additionally, dogs and cats must have all inoculations required by law, and be certified by a veterinarian licensed to practice in the State of Colorado. All assistance animals must have a tag attached to the animal’ s collar showing that the animal has been inoculated with anti-rabies vaccine and has been properly licensed. The dog or cat shall wear the collar at all times.

Assistance animals may not be a nuisance or a wild or dangerous animal, as determined by DHA in its sole and absolute discretion, or as defined in the Denver Revised Municipal Code. By way of example and not limitation, a vicious dog or one which howls and barks incessantly will be excluded, even if the animal is certified or trained. Additionally, the tenant must maintain good sanitary conditions in their unit, public and common areas (for example, immediate removal of all animal waste) with respect to the assistance animal; and is financially responsible for any damage caused by the assistance animal. However, because an assistance animal is not a pet, DHA will not require the owner of an assistance animal to pay a pet deposit.

2.37 Order of Precedence

This Admissions and Occupancy Terms and Policies define DHA’ s policies for the Public Housing program, incorporating Federal, State, and local law. If there is any conflict between this Policy and Federal law or HUD regulations, the laws and regulations shall prevail. If there is any conflict between this Policy and the dwelling lease or the grievance procedure, the dwelling lease or the grievance procedure shall prevail.

2.38 Services for Non-English Speaking Applicants and Residents

DHA has developed the Housing Authority of the City and County of Denver Language Assistance Procedure (“ LAP”) to ensure that all programs, services, and benefits are accessible to eligible individuals who, as a result of national origin, are limited in their English proficiency. This procedure outlines: 1) the process for determining the language needs of the population served; 2) the process for determining what documents are vital and will be

translated; 3) provision of interpretation services for non-translated documents; 4) procedures for securing a certified interpreter; 5) how LEP Persons can access interpreter services; and 6) DHA' s right to certify that an individual is limited English proficient, prior to providing specific interpretation or translation services.

2.39 Paragraph Headings

The captions and headings set forth herein are for convenience of reference only, and shall not be construed so as to define or limit the terms and provisions hereof.

2.40 Violence Against Women and Department of Justice Reauthorization Act of 2005

The purpose of this Act is to protect the safety of victims of domestic violence, dating violence, sexual assault, and stalking who reside in public housing and ensure that such victims have meaningful access to the criminal justice system without jeopardizing such housing. The Act creates long-term housing solutions that develop communities and provides sustainable living solutions for victims of domestic violence, dating violence, sexual assault and stalking. This allows public housing agencies to build collaborations among victim service providers and to provide appropriate services, interventions and training to address the housing needs of victims of domestic violence, dating violence, sexual assault and stalking. The Act also enables public housing agencies to respond appropriately to domestic violence, dating violence, sexual assault and stalking while maintaining a safe environment for all housing residents.

This Act amends the United States Housing Act of 1937 with regard to the Public Housing Program in the following ways:

1. An incident or incidents of actual or threatened domestic violence, dating violence, or stalking will not be construed as a serious or repeated violation of the lease by the victim or threatened victim of that violence and will not be good cause for terminating the tenancy or occupancy rights of the victim of such violence.
2. Criminal activity directly relating to domestic violence, dating violence, or stalking, engaged in by a member of a tenant' s household or any guest or other person under the tenant' s control, shall not be cause for termination of the tenancy or occupancy rights, if the tenant or immediate member of the tenant' s family is a victim of that domestic violence, dating violence, or stalking.

3. DHA may bifurcate a lease in order to evict, remove, or terminate assistance to any individual who is a tenant or lawful occupant and who engages in criminal acts of physical violence against family members or others, without evicting, removing, terminating assistance to, or otherwise penalizing the victim of such violence who is also a tenant or lawful occupant.
4. DHA retains the right to evict a tenant for any violation of a lease not premised on the act or acts of violence in question against the tenant or a member of the tenant's household, provided that DHA will not subject an individual who is or has been a victim of domestic violence, dating violence, or stalking to a more demanding standard than other tenants in determining whether to evict or terminate a tenancy.
5. DHA retains the right to evict a tenant if it can be demonstrated that there is an actual and imminent threat to other tenants or those employed at or providing service to the property if the tenant's tenancy is not terminated.
6. DHA may request that an individual certify via a HUD approved certification form that the individual is a victim of domestic violence, dating violence, or stalking, and that the incident or incidents in question are bona fide incidents of such actual or threatened abuse and meet the requirements set forth in the Act. Such certification shall include the name of the perpetrator. The individual shall provide the certification within 14 business days after DHA requests it.
7. If the individual fails to provide the certification discussed in paragraph 10 above within 14 business days of a request, DHA may evict any tenant or lawful occupant that commits a violation of the lease. DHA may extend the 14 day deadline at its discretion.
8. An individual may satisfy the certification requirement discussed above in paragraph 6 by: 1) providing DHA with documentation signed by an employee, agent, or volunteer of a victim service provider, an attorney, or a medical professional, from whom the victim has sought assistance in addressing domestic violence, dating violence, sexual assault, or stalking, or the effects of the abuse, in which the professional attests under penalty of perjury to the professional's belief that the incident or incidents in question are bona fide incidents of abuse, and the victim has signed or attested to the documentation; or 2) producing a federal, state, tribal, territorial, or local police or court record.
9. All information provided to DHA relating to the fact that an individual is a victim of domestic violence, dating violence, or

stalking, shall be retained in confidence, except to the extent that disclosure is:

- a. requested or consented to by the individual in writing;
- b. required for use in an eviction proceeding; or
- c. otherwise required by applicable law.

The following are additional requirements regarding requests for emergency transfers that are the result of domestic violence, dating violence, or stalking:

1. Tenant initiated emergency transfers that are the result of domestic violence, dating violence, or stalking will only be approved if they are accompanied by documentation acceptable to DHA substantiating the domestic violence, dating violence, or stalking.
2. Whenever a tenant is granted an emergency transfer that is the result of domestic violence, dating violence, or stalking, the perpetrator of such violence or stalking will be automatically barred from the tenant's previous residence, the tenant's new residence, and all of the tenant's subsequent residences pursuant to the DHA No Trespass/Barring Procedure.
3. A tenant who is granted an emergency transfer that is the result of domestic violence, dating violence, or stalking who subsequently allows a barred perpetrator of such violence or stalking onto the property in violation of the DHA No Trespass/Barring Procedure will be in violation of his/her lease and subject to possible eviction.

2.41 Rent Policies and Procedures

The following policies and procedures regarding the payment and collection of rent apply to DHA's conventional public housing program. DHA will comply with all requirements in the Housing Authority of the City and County of Denver Procedure Manual, Section 03-H.M. Rent Collection Procedure.

- 1) Rent is due on the first day of the month. It is considered delinquent if it is not paid within the first (5) working days of the month for the Public Housing Program. Rent is due within the first (5) calendar days for the DHC properties.
- 2) Rent may include utilities as described in the lease.

- 3) Payment must be in the form of a check or money order, no cash is accepted. Once a resident has paid by personal check and the check is returned by the bank for insufficient funds, the resident will be charged a returned check fee and the Manager will no longer accept a personal check from that resident. DHA will only accept payment in the form of a Certified Check, Money Order or Cashier' s Check.
- 4) The resident is required to pay the full amount of rent due; partial payment will not be accepted.
- 5) Three (3) late payments within a twelve (12) month period shall constitute a serious violation of the material terms of the lease, for which DHA may terminate the lease. Tenants shall pay the full amount of rent and other charges when due, without deduction or offset for any amount which the tenant claims DHA owes to the tenant, until any such deduction or offset is approved by DHA.
- 6) DHA business hours are from 8:00 a.m. to 4:30 p.m. Mon. - Fri. except for holidays. All rent and other charges are due and payable in the development office by 4:30 p.m. on the date due. DHA will not accept cash.
- 7) Once a tenant has been served with a Demand for Payment of Rent or Possession, DHA will not accept payment for the amount of rent specified in the demand in the form of a personal check. DHA will only accept payment in the form of a Certified Check, Money Order or Cashier' s Check.
- 8) At the discretion of the Denver Housing Authority repayment agreements may be entered into between DHA and the resident. The Manager is responsible for the recommendation in cases where there is a large maintenance charge or back rent. No more than one repayment agreement will be offered for back rent resulting in unreported income, if unreported income is discovered a second time the resident will be required to pay the full amount or be subject to eviction.

Additional policies and procedures regarding the calculation and payment of a tenant' s rent are contained in the lease and the Denver Housing Authority Housing Management Procedure Manual.
