KEY

-  DHA Property
-  City Property
-  Townhouses
-  Flats
-  Non-Residential uses
(may have flats above)
-  Existing trees to be preserved

VIETNAMESE

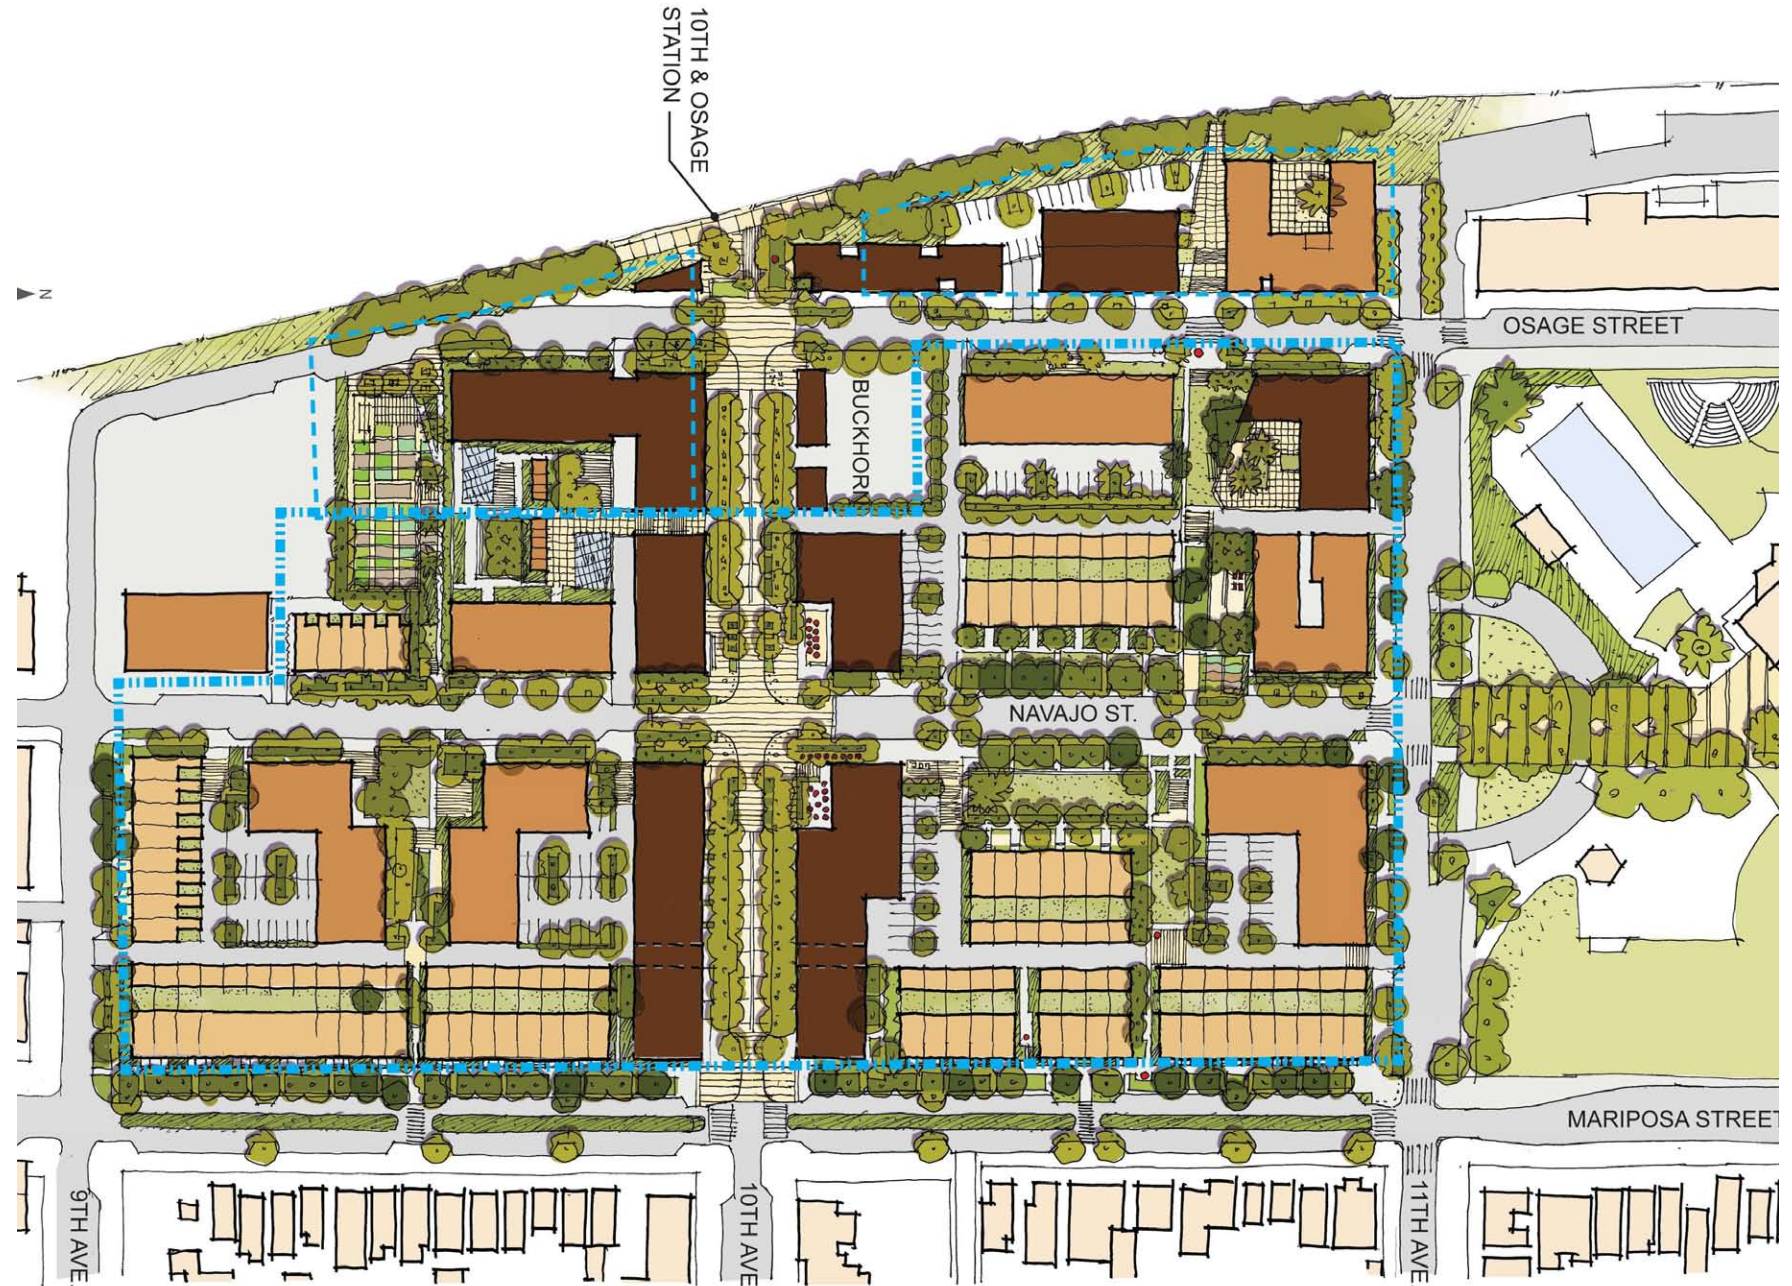

Guryaha gaagaaban ee qoysaska xaaska ah ee ku yaala wadada Mariposa waxay keenayaan in xaafadu ay noqoto mid taariikhi ah marka laga fiiriyo dhinca bariga. Waxaa la qoondeeyey in meelaha banan ay noqdan kuwa bulshada ama dadka u muuqan kara. Guryaha ku jeeda ama fiirinaya meelaha banan waxay noqonayaan kuwa isha ku haya oo ilaaliya nabad galyada meelaha banan. Si kor loogu qaado nabad galyada, qorshahan wuxuu kaloo ku talo galayaa in iridaha hore ee guryaha laga dhiso wadoon iyo meelo yar-yar oo lagu socdo. Laakin waxaa culayska la saarayaa wadooyinka cagaaran oo loo sameeyo geedo cusub wadooyinkaas yar-yar oo socodka loogu talo galay, taasoo looga dan leeyahay in la dhiiri galiyo socodka una sahlaysa dadka inay la kulmaan dariskooda iyo inay sahal ku tagaan meelaha adeega bulshada. Waxaa la calaameeyey wadiiqooyin u khaas ah bushkileetiga oo kugu xiraya wadiiqadaha Cherry Creek iyo Platte river.
