

Denver Housing Authority's Service Coordinator Program

DHA's Service Coordinator Program operates in several of DHA's mid- and high rise buildings and is available to eligible seniors (62+) and/or disabled residents of the Opportunity Centers located at Westridge, Westwood, North Lincoln, Sun Valley, and Platte Valley.

Service Coordinators assist senior and disabled residents find needed services for home health care, dietary needs, social activities, and more.

HealthSet provides visiting nurse clinics at six DHA senior sites. These nurses check blood pressure, provide weigh-ins, and answer important health related questions.

Referrals and Resources

Referrals, Resources, & Activities are provided by DHA's Service Coordinators to DHA's senior and disabled residents of designated sites. Service Coordinators also bring needed activities and services to these sites. Referrals and resources include, but are not limited to:
