

AFFIDAVIT OF UNDERSTANDING

You are participating in the Housing Choice Voucher (HCV) rental assistance program through the Denver Housing Authority (DHA). DHA vigorously pursues fraud and program compliance.

Below is a list of the types of documents DHA may use to confirm household composition and/or the income of the household member(s).

1. Division of Motor Vehicles (DMV)
2. Colorado Department of Labor and Employment (DOLE)
3. Legal Documents or Records (e.g. police records)
4. Statements from neighbors, friends, and/or relatives
5. Receipt of Mail
6. Federal, State, and local agency documents

TO AVOID POSSIBLE TERMINATION OF YOUR HOUSING BENEFITS, DHA STRONGLY SUGGESTS:

1. ONLY the Head of Household and/or approved household members use your address.
2. You complete a CHANGE FORM if you want to add someone to your household. ALL added household members MUST be approved by your landlord and the HCV/Section 8 office BEFORE they can actually move in.

I understand if someone other than the approved household members use my address, or if unreported income is discovered in my household, this may result in the TERMINATION of my rental assistance.
